Subject: Everything you need to enrich and inspire students

Dear Educator,

Reading inspires learning, connections, and joy. That is why Lerner Publishing Group developed **Read for a Better World**, a new kind of inclusive literacy collection that provides reading and writing enrichment in and outside the classroom. Explore our collection and see how superintendents and educators are using these curated take-home and classroom libraries to accelerate literacy and help students grow as readers and as people.

Read for a Better World provides:

- Classroom libraries built with a focus on authentic and culturally relevant texts. Each library includes *Dictionary for a Better World*, an inspiring, best-selling collection of poetry which serves as a prompt for inclusive classroom discussions.
- Take-Home Book Packs delivered fall, winter, spring, and summer enrich student learning during school breaks. These diverse and inclusive books expand home libraries and encourage family engagement in literacy and education.

- Educator guides and teacher resources designed to support the topics of inclusivity and diversity.
- Professional development training to implement Read for a Better World to best effectiveness.

Everything you need to enrich, engage, and inspire students to see they are part of a big, diverse, and wonderful world!
