Dino-Easter

Lisa Wheeler, Barry Gott

Key Selling Points

- Dinosaurs participate in well-known, kid-friendly holiday activities
- Wheeler's verse is fun and easy to read, creating an entertaining read-aloud experience
- Gott's art is thorough and hilarious, prompting kids to find more with each read
- Next up is *Dino-Valentine's Day* in Fall 2022

Get ready to party like it's the Mesozoic Era and celebrate the holiday in a BIG way, with prehistoric dinosaur friends

Summary

As winter snow melts into spring, /froggies croak and robins sing./Soon there'll be a holiday . . ./Dino-Easter's on its way!

Celebrate with the dinos as they gather flowers for a spring bouquet, throw an egg painting party, pet newborn farm animals, visit a chocolate factory, and join an Easter parade with Peter Clobbertail. At last it's time for the egg hunt. Will Raptor finally get to eat his treats?

Author Lisa Wheeler and artist Barry Gott—the dynamic duo behind the **Dino-Sports** series—are back with a sweet treat for young readers with this entertaining addition to the **Dino-Holidays** series.

Contributor Bio

Lisa Wheeler is the award-winning author of the **Dino-Sports** and **Dino-Holidays** books. When she isn't running around the country visiting schools, standing at podiums, and eating airport snacks, she resides in Michigan.

Barry Gott lives in Ohio and has illustrated many children's books, including all of the **Dino-Sports** and **Dino-Holidays** books and *What DO Teachers Do (After YOU Leave School)?*

Today Is Different

Doua Moua, Kim Holt

Key Selling Points

- Doua Moua wrote this story in the aftermath of the murder of George Floyd as he saw the intergenerational divisions within the Hmong community in how people responded
- The central message of solidarity speaks to a broad audience
- Debut illustrator Kim Holt brings the story to life with rich and vibrant art
- An author's note in the back matter addresses the history of the Hmong people, the historical relationship between Hmong and Black communities, and the value of solidarity

Two girls—one Hmong American and one Black—stand together in solidarity with their communities to protest systemic racism and injustice

Summary

Standing together makes all of us stronger.

Mai, a young Hmong girl, and Kiara, a young Black girl, are best friends. They do everything together—riding the bus, eating lunch, playing at recess. But one day Kiara misses school and Mai goes looking for answers. When she learns that her best friend is protesting an act of police violence against the Black community, Mai decides to join the protest too. Her parents at first want to protect her by keeping her at home, but she shows them that standing together makes all of us stronger.

Written by author and actor Doua Moua, who played Po in Disney's live-action *Mulan*, this picture book provides an inspiring look at the value of allyship and solidarity with Black Lives Matter.

Contributor Bio

Doua Moua is an actor and writer based in Los Angeles, California. Moua recently played Chien Po in Disney's live-action remake of *Mulan*. As a writer, he has received recognition for his movie script *The Harvest* on the Cape List/ Black List, a We Screenplay Finalist, and an Academy Nicholl Fellowship Semi-Finalist. *Today Is Different* is his debut picture book.

Kim Holt is an artist and children's book illustrator. Her passion for art and drawing started at an early age, fueled by her family's love for the arts. She received her BBA in Marketing from Howard University and her BFA in Animation from the Academy of Art University. Her goal as an artist is to create images that bring back memories and create pictures that make children wish they were inside the scenes. She lives in Maryland with her family.

Elephant Island

Leo Timmers

Key Selling Points

- Taps into the pleasure of contraptions-like a building game on the page
- Intricate details in each new construction to study on every page
- *New York Times* Illustrated Book Award-winning author/illustrator
- Author's previous books include *Gus's Garage*, *Monkey on the Run* and *Where Is the Dragon?*

A shipwrecked elephant makes his tiny island a home for the many friends who come to the rescue, building increasingly intricate constructions

Summary

Caught in a storm, Elephant washes up on a tiny island. Along comes Mouse in a little dingy and Elephant steps aboard . . . uh-oh! They use the wreckage to make the island bigger. And here's Dog—can this boat take Elephant's weight? Uh-oh!

None of the animals can save the shipwrecked Elephant but each broken vessel provides new materials for another intricate construction. Wheels and pulleys create a Ferris wheel, an elevator, a waffle maker. Soon there is a whole community and enough space for everyone!

As in any Leo Timmers picture book, *Elephant Island* has many layers of discovery. Each new building is a magical fun park packed with mechanical detail and busy animals all working together.

Contributor Bio

Leo Timmers is one of Belgium's preeminent picture book authors, with a large and loyal following. Trained in graphic design, he illustrates magazines as well as picture books. He lives in Brussels with his wife and daughters.

The Tale of the Tiny Man

Barbro Lindgren, Eva Eriksson

Key Selling Points

- Resonant themes for children of making and sharing friends and how to play with more than one person
- Promotes empathy for those who are lonely
- Eva Eriksson is the illustrator of the **My Happy Life** series
- A classic story newly illustrated for this celebratory edition

A touching picture book about loneliness that has a very happy ending

Summary

There was once a tiny man. One day, at the first sign of spring, he decided to pin a note to a tree that said FRIEND WANTED. Then he sat down on the step to wait.

After ten days, he woke to find a cold nose in his hand. Beside him was a big dog with a beautiful curve in its tail. The tiny man had made a friend at last.

They play and walk and laugh every day. But then the girl in the polka dot dress comes to the step. The little man watches as the dog put his soft muzzle into the girl's hand and worries that he has lost his only friend.

The Tale of the Tiny Man is a touching picture book about loneliness that has a very happy ending. It is possible after all to have more than one friend.

Contributor Bio

A color-filled story about a young boy embracing his identity

Summary

When a little boy paints his nails with his mom's nail polish, he discovers the most important thing of all: the magic of being his true self.

As the long late summer day stretches ahead of him, a young boy looks forward to his favorite time - painting-your-nails-time. He knows that when he dips his brush into those magical bottles of nail polish, he will find a color to express his every mood and feeling. Purple is the color of magic and mystery. White is the color of endless possibilities. At times, his Papa frowns and says, "What have you done to your nails?" At other times, he says, "Why don't you paint on paper instead?" But the little boy knows that painting his nails makes his hands look beautiful.

This color-filled story celebrates the joy of finding out who you are and embracing the courage to be yourself.

Through the Forest

Yijing Li

Key Selling Points

- A gorgeously illustrated and moving story about coming to terms with sometimes difficult memories
- A focus on feelings and emotions, and how our memories shape who we are
- A story that works on many levels and will appeal to children of different ages
- A beautiful story by an #OwnVoices author-illustrator

A beautiful allegory for the path we walk through life

Summary

Walking through a dark forest, a young boy learns to treasure his memories and find his true path.

Lost and alone, a young boy enters the forest not knowing the path that lies before him. He meets a figure called Emptiness who guides him on his way. Together they find keepsakes deep in the forest that trigger memories, both good and bad. As he moves closer to the sun-filled meadow on the other side of the forest, the boy learns that to be truly happy, he must embrace his past.

A powerful tale about the importance of memories in the winding journey of life.

My Must-Have Mom

Maudie Smith, Jen Khatun

Key Selling Points

- Topical focus on upcycling and recycling as environmentally friendly practices
- An extremely positive portrayal of disability in the character of Jake's mom
- A heart-warming relationship between a mom and her son
- Characters of color by an #OwnVoices illustrator

An upcycling mom and a son who learns he's perfect just the way he is

Summary

When Jake's mom upcycles every last thing in the apartment, Jake begins to worry that the only thing left to change is . . . him!

Jake's mom is not like most moms. Say there's a dumpster in the street, most moms will pass right by without a second glance. Not Jake's mom. "Look at this, Jake!" she'll shout. "We must have this! We must have this, too! And we simply must have this!" That's Jake's mom for you. She's a must-have mom.

Soon Jake begins to worry that his mom will want to change him too. Should he be this way? Or that way? Or another way altogether?

A heartwarming story about the unbreakable bond between a mother and her son, and a little boy who learns that he is perfect just the way he is.

Key Selling Points

- Inspirational words of wisdom to help children be their best selves
- A focus on positivity and self-affirmation
- A delightful interplay between text and images, with each adding meaning of their own
- A main character of color by an #OwnVoices author

Twelve inspirational lessons to live by filled with positivity, strength, and love

Summary

Inspirational words of wisdom passed down from older generations to the young.

Imagine the words your grandmother might say if she wrote you a letter. Perhaps she would encourage you to embrace the rain, or shine your light for all to see. Perhaps she would remind you to take up space and choose your path, knowing that whichever path you take will be the right one because it's yours. Perhaps she would tell you you are loved. Perhaps she would start the letter, "Dearest One".

A gorgeous keepsake for a growing child, this gentle tale will help little ones everywhere navigate the joys and sorrows of childhood with positivity, strength, and love.

Vikki Conley, Nicky Johnston

Key Selling Points

- Encourages children to think about the process of nurturing something and helping it to grow
- Explores the key themes of displacement, friendship, inclusivity and diversity
- Demonstrates that kindness can flourish even in difficult circumstances

Amira's Suitcase is a gentle, thoughtful story encouraging children to think about helping something grow

Summary

***Amira's Suitcase* is a gentle, thoughtful story about a little girl who arrives at a settlement camp with her family and a few suitcases.**

Before long, she finds a sprouting seed growing inside her suitcase and lovingly begins to nurture and look after the seed, like a new friend. She waters it, talks to it and takes it to the light. As the seed grows and grows, so does Amira's happiness, her friendships and her way of life. The seed becomes a powerful symbol for hope and happiness.

This story encourages children to think about the process of nurturing something and helping it to grow. Exploring the key themes of friendship and inclusivity, this story ultimately shows that kindness can flourish even in difficult circumstances.

Inner

Cleteisha Ann Washington, Aleksandra Szmidt

Key Selling Points

- Key themes are resilience and confidence
- Stunning illustrations capture the dreamlike quality of the book

A thoughtful story about a young girl's journey to find the secrets to life

Summary

Inner is about a young girl on her journey to question the universe about the secrets of life.

The questions she poses to the universe, "Is there any kindness in the world? I'm looking for kindness," can only be found and answered from within herself. She continues her journey around the world, questioning trees, animals, plants, and water. Each time, the universe answers back to the little girl, "Go Inner." At the end of her journey, she builds up enough confidence and wisdom to understand that she can simply look within herself to find all that she needs. She is so happy to have found this powerful secret of life.

With dreamlike, whimsical illustrations, this is a reaffirming, joyful book for everybody that will transform readers' minds to what truly matters.

Bears Don't Wear Shoes

Sharon Davey

Key Selling Points

- Funny and heartwarming
- Encourages creativity and imaginative play
- Teaches children to respect and appreciate each other's differences

An unusual friendship that encourages creativity and imaginative play

Summary

A laugh-out-loud book about an inventive, proactive little girl who decides she needs a new friend.

When Suzy moves, she find that everybody is too busy to play with her. So, taking matters into her own hands, she puts up a "FRIEND WANTED" poster. When a big bear turns up and ticks all her boxes (likes cookies, coloring, and dress-up), he seems perfect—except for one thing, he WON'T WEAR SHOES! But does this matter to Suzy, who absolutely loves shoes?

This is an adorable, heartwarming story about an unusual friendship. The book teaches children to understand and appreciate each other's differences and that best friends don't always need to like the same things.

Sharon Davey's funny, quirky illustrations complement her words, making this a must-have picture book.

Contributor Bio

Mr. Darcy

Alex Field, Peter Carnavas

Key Selling Points

- Encourages compassion and empathy
- A great tool for introducing children to Jane Austen's *Pride and Prejudice* in an accessible manner
- Explores themes of pride, tolerance, and different ways of living

A simple and charming introduction to the works of Jane Austen

Summary

Mr. Darcy is a rather reserved and gentle duck, with all the qualities of an English aristocrat.

He likes to tip his hat and say "Good Morning" and he would never want to bother anybody.

He lives alone on the edge of Pemberley Park and keeps himself to himself. Unfortunately, his life is a little lonely.

One day, he receives an invitation from Lizzie and her sisters for tea but declines. He would never go to the ordinary park where they live. Over the next few days, certain events change Mr. Darcy and he realizes that it's okay to let his friends know he needs some help and perhaps it's rather nice to be loved after all.

A delightful introduction to some of Jane Austen's most famous characters with stunning watercolors from award-winning illustrator Peter Carnavas.

Contributor Bio

Alex Field began her career by writing numerous articles for print and online media. She has since published multiple children's books. Her love of Jane Austen's *Pride and Prejudice* inspired her fluffy reimagining of Mr. Darcy.

Peter Carnavas, a former teacher, is now an award-winning author and illustrator from Australia. He has received numerous accolades including the SCBWI Crystal Kite award.

Alan Page, Kamie Page, David Geister

Key Selling Points

- Page Education Foundation creates picture books focused on diversity and inclusion
- An endearing intergenerational story
- Kids will learn that spring in the north woods means the maple trees are bursting with sap

A gentle story about spending time with family and building memories

Summary

Tap, tap, tap. Drip, drip, drip.

"What's that sound, Grandpa?"

"It's the sap running from the maples."

Here is the gentle story of a granddaughter discovering one of the great joys of her grandfather's youth, spring in the north woods when the maple trees are bursting with sap.

Together, grandfather and granddaughter make their way out into the chilly pre-dawn woods to find and tap maple trees, hang buckets, and collect sap. And then patiently (or not!), they wait for the sap to boil into syrup back at the sugar shack. They wait until . . . at last! The first sweet taste of amber, sticky goodness is ready.

Alan Page, Kamie Page, David Geister

Key Selling Points

- Page Education Foundation creates picture books focused on diversity and inclusion
- Heartwarming story about a little boy and a big man finding something in common
- Kids will be fascinated by the perpendicular pinky
- Author is well known as a former defensive tackle for the Minnesota Vikings and Chicago Bears, as well as an associate justice of the Minnesota Supreme Court from 1993 to 2015

A heartwarming story about embracing children's curiosity and questions

Summary

Minnesota Supreme Court Justice and NFL Hall of Famer Alan Page is visiting Market Elementary School.

All the students are prepared to use their best manners. But one little boy, who has a knack for asking inappropriate questions at inappropriate times, just can't hold onto his question any longer. When he finally shouts, "What happened to your pinky?" everyone groans and rolls their eyes.

But not Justice Page, who surprises everyone with a smile. In this heartwarming story readers of all ages will delight in how one special little boy finds something in common with a big man with an even bigger heart.

Eighteen Vats of Water

Ji-li Jiang, Nadia Hsieh

Key Selling Points

- Award-winning author of *Red Scarf Girl* presents another compelling true story of Chinese culture and history
- Story of perseverance, of combining craft with artistry, writing with painting in Chinese calligraphy
- #OwnVoices author and illustrator

Award-winning author introduces a beloved figure in Chinese history to readers in this parable of hard work, determination, and creativity

Summary

As long as he can remember, Xian has wanted to be a great calligrapher, like his father.

When he turns six, he's finally old enough to start studying. Calligraphy is more than writing-it's painting-and Xian learns how much work and creativity go into what look like effortless strokes.

Based on stories still told about Xian and his father, famous calligraphers of the 4th century, *Eighteen Vats of Water* is about determination, creativity, and learning how to see, as well as the importance of family traditions.

Contributor Bio

Ji-li Jiang is the author of *Red Scarf Girl*, an award-winning bestseller based on her memories of surviving the Cultural Revolution in China. She has since written picture books featuring Chinese folklore and history.

Nadia Hsieh grew up in Taiwan where she learned the story of Wang Xizhi and his son Wang Xianzhi. She came to San Francisco to study illustration. *Fourteen Vats of Water* is her first picture book.

Bumblebee Grumblebee

David Elliot

Key Selling Points

- Designed for adults and children to share and read aloud
- Drawn from the toddler's perspective
- Fun experimentation with words and sounds
- New from the author of *Oink* (starred reviews from *Publishers Weekly* and *Kirkus*)

Playful animals get up to everyday toddler mischief in this delightful board book built on word play where each page twists animal names into funny new words that are fun to share

Summary

In this delightful board book built on wordplay, toddlers will recognize each activity—getting dressed, playing, painting (including themselves), having a bath—and see how the animal makes the mischievous most of it.

The bumblebee breaks its toy—bumblebee grumblebee!
The cockatoo is getting dressed—cockatoo sockatoo!
The pelican tries out the potty—pelican smellican!
What will turtle do? Everybody gathers for the final squirtle.

Each scene twists the animals' names into funny new words to share and delight in how they feel and sound.

Bumblebee Grumblebee is for toddlers and adults to have fun experimenting with the way words are put together.

Pops

Gavin Bishop

Key Selling Points

- Warm story to share with very young children
- Shows a multigenerational and multi-ethnic family relationship
- Inclusive illustrations-no gender specified for the child and "Pops" could apply to different family relationships
- Paired down text allows children to embellish with their own stories during reading

A comforting board book about a child's visit to granddad

Summary

***Pops* is a warm and comforting board book about a visit to granddad.** The bond between grandfather and child is shown through powerful images and simple text. The child and their Pops explore the day-a small hand in a big one, they go for a walk, collect food from the garden to make a sandwich, tell stories, then settle down for a nap.

Pops is a starting point for conversation-the simplicity of the images and text lets readers build their own stories about their visit to a loved member of the family.

Free Kid to Good Home

Hiroshi Ito

Key Selling Points

- A light-hearted take on running away from home
- Childlike, subversive humor
- Accessible illustrated storybook for children starting on independent reading

In this comical twist on sibling rivalry a girl decides she needs a new family, so she writes Free Kid on a box and waits in the street for some better parents to choose her

Summary

"When my squawking baby brother arrived, I realized I needed a new family.

No one seemed to mind when I packed my bag. I took a box and used my best handwriting to write 'FREE KID', then waited for some new parents to take me home."

Free Kid to Good Home takes a child's impulse to run away from home to a comical extreme. Waiting in a box like an abandoned pet and encountering the passersby change the girl's perspective. At the end of the day, when her parents pretend they need an older sister for their new baby, she is ready to leave her box and go happily back home.

The Fabulous Diary of Persephone Pinchgut

Aleesah Darlison, Serena Geddes

Key Selling Points

- Features the hilarious adventures of sisters Persephone and Portia
- Key themes include friendship, sisterhood, and self-confidence

The third book in the series about a fun filled trip to Fiji

Summary

Persephone Pinchgut is back to tell you more about her exciting life and adventures. Get up close and personal with twin Perse in her fabulous new diary.

It's the summer and no one needs a vacation more than Perse. From the moment she takes off for Fiji, Perse is set for a fun and exciting vacation. But there's just one catch. The twins' super annoying next door neighbor, Dill Pickleton, is going with them. With Gran looking after them and Dill tagging along, how will Perse and her sister, Portia, actually have fun?

In Perse's greatest adventure yet, she faces the perils of sailing the open seas, swimming with sharks (her greatest fear!), and a dreaded dance-off. Perse pens all her deepest secrets about popularity, fitting in, crushes, and lots more for you to read about.

A perfect read for 7+ readers and secret diary lovers.

Laurie Calkhoven, Debbie Palen

Key Selling Points

- Features a diverse cast of characters
- Sequel to Roosevelt Banks, Good-Kid-in-Training

Roosevelt Banks learns to deal with the many life changes that come with being a big brother

Summary

With a new sister on the way, Roosevelt Banks has to give up his bedroom and move into the attic, which must be haunted because of all the squeaks and groans coming from the spooky place at the top of the stairs.

After his plan to move into a fort in the woods fails, and a ghost-busting exercise goes terribly wrong, Roosevelt—with the help of Tommy, Josh, and Eddie Spaghetti—has to find the courage to defeat the biggest, spookiest ghouls ever and turn the Attic of Doom into a Room with a View.

Owl's Outstanding Donuts

Robin Yardi

Key Selling Points

- Standalone novel that offers more of *The Midnight War of Mateo Martinez*,^s animal antics
- Fun "whodunit" setup
- Appealing California backdrop
- Sensitive treatment of themes including grief and recovery

When an owl alerts Mattie Waters to suspicious activity near her aunt's donut shop, Mattie must rally her friends, face her fears, and try to save her new home

Summary

A wild California mystery full of feathers, sprinkles, and more

Ever since Mattie Waters lost her mother, she's been sharing a trailer with her aunt Molly, the proud owner of Owl's Outstanding Donuts. This hoot of a donut shop serves up delicious snacks to people driving down California's Highway One—treats like the Turkey Talon, the Banana Slug Bar, and the Strawberry Iced Classic.

Mattie loves her aunt and the shop, even if she's still dealing with a life without her mom. But not everybody is a fan of Owl's Outstanding Donuts. When an owl taps on Mattie's window one night, Mattie looks out to see suspicious activity not far from the shop. A shady duo is dumping gloop near the highway. And soon people want to blame Aunt Molly! With help from her friends, Mattie sets out to find the real gloopers. Along the way, she'll face fears that have followed her since her mother's passing—and get to know Alfred, a stuffy, donut-loving owl who's also on the case.

"Readers of all ages will be cheering—and hooting!—for Mattie and her friends as they track down the culprits in this brilliant, high-stakes mystery with heart. *Owl's Outstanding Donuts* is, well, simply outstanding!"—Kristen Kittscher, author of *The Wig in the Window*

A bright, contemporary and fearless novel about an ordinary extraordinary eleven-year-old trying to win back her best friend and get her mother to stop sighing

Summary

Cricket is going to become an artist just like her aunt, who loves cheese and art and always speaks her mind.

Not like Cricket's mother, who is always dieting and sighs at everything. But now Aunt Frannie has lost her joy and Cricket's best friend has dumped her for the Horse girls.

Eleven-year-old Cricket Karlsson is a warm and complex character with an artistic soul. This is a liberating and unexpected story about growing up, fitting in, and sorting out the adults in our lives that will reach the hearts of young readers (and older ones).

The Art of Magic

A Novel

Hannah Voskuil

Key Selling Points

- Features a unique magic system set in the real world, with powers explicitly rooted in creativity
- Both plot-driven, with a distinctive set of stakes, and character-focused
- Highlights social emotional learning as ZuZu gains confidence in herself, learns to trust new friends, and stands up to the villain

Two friends must use their artistic abilities to save their town from malevolent magical forces in this action-packed adventure

Summary

A pack of paints, a set of pens, and unlimited creativity throw two friends into an enchanted, fast-paced adventure.

ZuZu's first summer without her best friend is looking pretty grim, until she meets new kid Andrew at a visit to the historic Mapleton Mansion. Together they stumble upon some enchanted art supplies and discover that the shapes they draw and paint can come to life. Their creations are harmless—but ZuZu and Andrew aren't the only ones with access to magic.

Soon, nightmarish half-machine, half-living creatures begin appearing around town, controlled by a power-hungry "caster" with a sinister mission. It's up to ZuZu and Andrew to use their newfound abilities to protect their community.

Contributor Bio

Hannah Voskuil received a B.A. from Middlebury College in Vermont and an M.F.A. in Creative Writing from Emerson College in Boston. This Last Adventure

Ryan Dalton

Key Selling Points

- Sensitively portrays the common experience of slowly losing a loved one to Alzheimer's
- Features a boy protagonist who's nurturing and comfortable being in touch with his emotions
- Compassionately tells a story of loss while incorporating uplifting elements in its portrayal of a close-knit family, supportive friendships, and the protagonist's personal growth
- Explores questions of what it means to be a hero in real life, how to reconcile childhood fantasies with complicated realities, and how to face the unknown with grace

An imaginative and heartfelt story about coping with loss, facing the unknown, and redefining what it means to be a hero

Summary

When Archie's beloved grandpa is diagnosed with Alzheimer's disease, Archie desperately wants to slow the progression of his grandpa's memory loss.

Using Grandpa's old journal entries as inspiration, he creates shared role-playing fantasies with epic quests for them to tackle together—allowing Grandpa to live in the present and stay in touch with his fading memories. But as Grandpa's condition gradually worsens, Archie must come to terms with what's happening to his hero. The limits of the fantasies, revelations about Grandpa's past, and a school project about the future force Archie to grapple with what it truly means to live a life worth remembering.

Gold Mountain

Betty G. Yee

Key Selling Points

- Focuses on the Chinese migrant workers who contributed to the literal building of the nation
- The Asian-American experience in America is still vastly underrepresented in YA, especially in YA historical fiction; Yee fleshes out an ordeal that is usually only a footnote in coverage of this period
- Touches on still-relevant themes of immigration, xenophobia, racism, and inequality

A Chinese-American author's suspenseful, immersive depiction of a pivotal point in US history

Summary

Working on the Transcontinental Railroad promises a fortune—for those who survive.

Growing up in 1860s China, Tam Ling Fan has lived a life of comfort. Her father is wealthy enough to provide for his family but unconventional enough to spare Ling Fan from the debilitating foot-binding required of most well-off girls. But Ling Fan’s life is upended when her brother dies of influenza and their father is imprisoned under false accusations. Hoping to earn the money that will secure her father’s release, Ling Fan disguises herself as a boy and takes her brother’s contract to work for the Central Pacific Railroad Company in America.

Life on “the Gold Mountain” is grueling and dangerous. To build the railroad that will connect the west coast to the east, Ling Fan and other Chinese laborers lay track and blast tunnels through the treacherous peaks of the Sierra Nevada, facing cave-ins, avalanches, and blizzards—along with hostility from white Americans.

When someone threatens to expose Ling Fan’s secret, she must take an even greater risk to save what’s left of her family . . . and to escape the Gold Mountain alive.

The Deep Blue Between

Ayesha Harruna Attah

Key Selling Points

- An #OwnVoices story, written by a Ghanaian-born author and following two Ghanaian girls as they set down roots across several cultures on multiple continents
- A refreshingly unique portrayal of African girls; they are not victims, their brief enslavement is only the beginning of their story rather than the main focus of it, and they are shown as having agency and authority in a time and in places that American readers may not expect them to have had either
- The hunger in the YA market for more multicultural stories and underrepresented voices is stronger than ever
- A YA, African version of Brit Bennett's *The Vanishing Half*

This powerful portrait of fiercely independent sisters offers a rare glimpse of empowered young women in 19th-century Ghana, Nigeria, and Brazil, with the enduring bonds of family (both biological and chosen) at its core

Summary

Twin sisters Hassana and Husseinah have always shared their lives.

But after a raid on their village in 1892, the twins are torn apart. Taken in different directions, far from their home in rural West Africa, each sister finds freedom and a new start. Hassana settles in the city of Accra, where she throws herself into working for political and social change. Husseinah travels to Salvador, Brazil, where she becomes immersed in faith, worshipping spirits that bridge the motherland and the new world. Separated by an ocean, they forge new families, ward off dangers, and begin to truly know themselves.

As the twins pursue their separate paths, they remain connected through their shared dreams. But will they ever manage to find each other again?

"Uplifting . . . sizzles with sister-love and magic. What an incredible storyteller!"—Yaba Badoe, author of *A Jigsaw of Fire and Stars*

Camp So-and-So

Mary McCoy

Key Selling Points

- A hilarious send-up of familiar camp narratives
- Both brilliant and accessible, with tons of sharp humor
- Appealing for mystery lovers and adventure fans
- Unabashedly embraces 25 distinct female characters and makes each of them instantly unforgettable

Twenty-five teenage girls, five cabins at a mysterious summer camp, five classic camp stories with sinister twists. Will they make it out alive?

Summary

The letters went out in mid-February.

Each letter invited its recipient to spend a week at Camp So-and-So, a lakeside retreat for girls nestled high in the Starveling Mountains. Each letter came with a glossy brochure with photographs of young women climbing rocks, performing Shakespearean theatre under the stars, and spiking volleyballs. Each letter was signed in ink by the famed and reclusive businessman and philanthropist, Inge F. Yancey IV.

By the end of the month, twenty-five applications had been completed, signed, and mailed to a post office box in an obscure Appalachian town.

Had any of these girls tried to follow the directions in the brochure and visit the camp for themselves on that day in February, they would have discovered that there was no such town and no such mountain and that no one within a fifty-mile radius had ever heard of Camp So-and-So.

"The DNA of this singular book winds strands of M. C. Escher, Joss Whedon, and Heathers—Mary McCoy has created something wonderful, wild, and weird. Don't miss it."—Martha Brockenbrough, author of *The Game of Love and Death*

Girls on the Line

Jennie Liu

Key Selling Points

- Chinese-American author paints a vivid portrait of an international setting
- Suspense and intrigue make this a page turner
- Luli and Yun's alternating voices highlight the challenges girls and women face in their society
- Novels set in present-day China for young adults are less common

A suspenseful and affecting novel about friendship in modern-day China

Summary

A powerful, dual-narrative coming-of-age story set in 2009 China.

Luli has just turned sixteen and finally aged out of the orphanage where she's spent the last eight years. Her friend Yun has promised to help her get work.

Yun loves the independence that her factory job brings her. For the first time in her life she has her own money and can get the things she wants: nice clothes, a cell phone...and Yong, her new boyfriend.

There are rumors about Yong, though. Some people say he's a bride trafficker: romancing young women only to kidnap them and sell them off to bachelors in the countryside. Yun doesn't believe it. But then she discovers she's pregnant—the same day she gets fired from her job. If she can't scrape together enough money to terminate the pregnancy, she'll face a huge fine for having an unauthorized child.

Luli wants to help her friend, but she's worried about what Yong might do...especially when Yun disappears.

"[E]xplores a moment of contemporary history and a culture that is underrepresented in YA realistic fiction."—starred, *School Library Journal*

"Both poignant and agonizing, *Girls on the Line* is a must read."—starred, *Foreword Reviews*

"An affecting and original thrill ride." Kirkus Reviews

Jamilah at the End of the World

Mary-Lou Zeitoun

Key Selling Points

- Timely issues-climate change, anxiety, cultural gender dynamics, refugees-set the context for this story of a teen's summer of realization
- Close to half a million youth around the world have taken action against climate change
- Many readers will identify with the anxiety the main character feels about the state of the planet
- The main character has to navigate between her cultural background and the reality of teen life in North America
- The main character's wit and wry observation elevate this novel from an "issues" book to an engaging portrayal of an aware, relatable teen girl with friends, love interests, and typical conflicts with her family

An engaging portrayal of an aware, relatable teen girl

Summary

Seventeen-year-old Jamilah Monsour makes plans for what she's certain is the beginning of the climate change catastrophe that will end the world. Luckily, Jamilah knows what has to be done to save her family: reluctantly her parents allow her to transform the back alley garage into a bunker, but they draw the line when she announces she's going to skip university and instead use the money they had saved for her education to buy solar panels and a generator.

When an electricity blackout strikes, Jamilah's climate change anxiety kicks into high gear and she ends up staying out all night, infuriating her Palestinian-born conservative father who is done with all this doomsday nonsense.

Bank Shot

Valerie Pankratz Froese

Key Selling Points

- Explores the issue of the parentification of children and the stress it causes
- Many readers will relate to having domestic responsibilities, including caring for younger siblings
- The author is a teacher committed to engaging reluctant and challenged readers
- A context of the realities of social-emotional challenges (the main character's brother) and mental health (the main character risks depression when she cannot play)

Exhilarating high/low sports titles about more than just scoring goals and winning games

Summary

This girls' basketball story deals with the conflict between family caregiving responsibilities and extra-curricular sports that some kids, particularly girls, often face. Jo loves playing basketball in gym class and she is surprised when she makes the school team. Because she has to babysit her younger brother, she's afraid her mom will make her give up her place on the team, so instead, Jo hatches a plan to have a neighbor secretly babysit so she can play. While Jo shows initiative and problem-solving skills both on and off the court, will her mom see it that way when she's found out?

Johnny Boateng

- Basketball is not only the most participated-in sport for kids aged 12-17, but it also has become a reflection of Black culture
- The author writes authentically about Black youth, with an unerring ear for dialogue and facility with the social media that fills the lives of kids and teens
- What appears to be a story about an abusive coach turns out to present an authority figure who uses tough love to bring out the best in his players
- Social-emotional qualities of persistence, self-regulation, and determination are shown as triumphing over image and celebrity

Exhilarating high/low sports titles about more than just scoring goals and winning games

***Hoopers* is about a Black youth who wants to live the basketball dream of fame and acclaim.** Jojo and his friends know that once they make their high-school team, they will have the time of their lives. But their no-nonsense coach is strict, even mean, and seems to repeatedly target Jojo.

Emphasizing the real qualities of hard work and dedication, *Hoopers* shows how Jojo learns how to be a skilled player and leader for his team—a real Hooper.

Johnny Boateng played division basketball in Indiana and is the author of the award-winning sports novel *Hustle*. He grew up in North America, is of African descent, and now lives in Vancouver.

Paddle Battle

Eric Howling

Key Selling Points

- Paddle sports are gaining in popularity because they combine accessibility, affordability and approachability
- The backdrop of West coast wildfires is both a reminder of environmental issues and an effective symbol of the main character's emotional state
- Social-emotional strengths like adaptability, determination, and cooperation are highlighted in the sport and in the main character's development

Exhilarating high/low sports titles about more than just scoring goals and winning games

Summary

Set against a backdrop of the threat of wildfires on the West coast, this book looks at the effect changes at home can have on a young athlete's performance and the emotional support a team can provide. Thirteen-year-old kayaker Finn has been angry and resentful since his mother left the family. In a highly charged emotional state, Finn's performance is not only suffering, but he is also taking things out on his teammates.

Like the wildfires that threaten Finn's training camp, this book shows how new beginnings arise after a destructive event.

In a Heartbeat

Markus Harwood-Jones

Key Selling Points

- An LGBTQ+ romance in a small-town setting rather than an urban center
- The main character has undiagnosed social anxiety, which many teens will relate to
- The main character's gender identity is not an issue in the book; he is more insecure about other aspects of his identity/personality
- A community of creative young people is portrayed

Finally a series that explores realistic love in all forms, shapes, sizes, and sexualities! A relatable look at teen romance

Summary

Seventeen-year-old Lucien has a supportive family in Toronto but wants to make a new start somewhere nobody knows him. Going to stay with his aunt in Vernon presents challenges to fitting in—he is not comfortable with his hockey-watching, hard-partying cousins or the other kids at school.

Eventually, Lucien finds a community of creative teens and meets the mysterious Alder. As Lucien finds out who Alder really is, he is able to find what is worthy of love in himself.

Focusing on romance and speaking one's truth rather than issues of gender identity, this story is a light-hearted tale of finding love in unexpected places.

Walk This Way

Tony Correia

Key Selling Points

- A light-hearted exploration of attitudes toward drag and gay stereotypes in the gay community
- The popularity of drag and gender blurring is high, as is the relatability of the performance aspect
- The main character's orientation is not an issue in the book, but he does get exposed to gay history through his drag mentor
- A community of young LGBTQ+ people is portrayed

Finally a series that explores realistic love in all forms, shapes, sizes, and sexualities! A relatable look at teen romance

Summary

Sixteen-year-old Joshua does drag on social media but wants to have the full drag performance experience. But he's attracted to guys who don't like drag and want nothing to do with gay men they think are feminine and have a flamboyant image. With the help of a drag mother, Joshua has the chance to live his dream, but only by keeping it secret from the guy he is dating.

Grounded by what Joshua learns about how drag continues to be controversial in the gay community, this light-hearted story focuses on facing your emotions and finding your authentic self, even if it's by pretending to be someone else.

The Love Code

Mette Bach

Key Selling Points

- Classic teen romance scenarios are updated with LGBTQ+ characters
- The inclusion of STEM education and robotics, especially for girls, makes the context current and relatable
- Social class differences and problems with the economy are touched on for realism, but are not focuses for the plot
- Although bisexuality is called into question for the main character's ex-girlfriend, the gender identity and orientation of the characters are not issues

Finally a series that explores realistic love in all forms, shapes, sizes, and sexualities! A relatable look at teen romance

Summary

Astrid is a teen who has lost everything: her girlfriend to a guy and her social status when her parents lose their jobs. Determined to make her way into university, she joins a robotics club hoping to make contacts and win a scholarship but also finds the love of her life.

The Love Code tells the story of a relatable teen navigating the contemporary world of women working in STEM careers within a changing economy.

The Land of the Trolls

Book 1

Artur Laperla

Key Selling Points

- Colorful, accessible artwork
- Great for reluctant readers or first-time graphic novel readers
- An option for early readers before graduating to graphic novels like Hilda and the Troll
- Laughs for comics fans of all ages
- Bonus games at beginning and end of each book

Artur Laperla (*Super Potato*) takes readers to the goofiest fantasy land they've ever seen in this quirky and colorful graphic novel series for early readers

Summary

Felix has just found a tunnel to a land full of trolls!

A troll named Calcite is happy to show him around, but the tour ends early when a band of gnomes captures the new friends. That means tiny arrows from tiny bows. The little archers think trolls eat gnomes, but that's silly—trolls eat rocks! Can Felix and Calcite fix this big misunderstanding?

Flights of Fancy

Monkey & Robot

Peter Catalanotto

Key Selling Points

- Popular author
- Introduces readers to graphic novels and how they combine words and pictures into powerful storytelling
- Reluctant reader appeal
- Zany humor

Monkey and Robot are back with more silliness and fun with language, all wrapped in an appealing graphic novel format.

Summary

Monkey and Robot are back with more adventures.

In this beginning reader graphic novel, the two show how much fun opposites can have together. They try to become superheroes, to travel back in time, to study turtles, and to become famous. Robot is the practical one while Monkey has the creative ideas. The two combine for a lot of zany humor.

José and the Pirate Captain Toledano

Arnon Z. Shorr, Joshua M. Edelglass

Key Selling Points

- Unusual setting on the seas in Inquisition-era Spain
- A story of friendship and growing up, as well as discovering surprising mentors

A coming-of-age adventure story taking place on the high seas, involving pirates, action, and a search for identity

Summary

Set in the shadows of the Spanish Inquisition, José and the Pirate Captain Toledano is the coming-of-age story of José Alfaro, a young refugee who forms a powerful bond with the mysterious Pirate Captain Toledano. It's also a dynamic pirate adventure on the high seas, with hand-to-hand combat and ship-to-ship action, and the powerful story of a dark time in history when people took different paths to survive.

José Alfaro is a cocky, rambunctious teen in the 16th Century colony of Santo Domingo, pulling pranks and dodging the authorities. One day, José's mischief lands him in serious trouble.

Hoping for a fresh start, he stows away on the Laqish, not knowing that it's a pirate ship. From his hiding place, he watches the pirates divide their loot and plan their attacks on long days at sea. He also takes note of the respect they have for their captain, the intimidating Toledano.

But the captain has a secret – like José, he is a Jew. For him, piracy is not about the gold; it has a different purpose.

Under the tutelage of the ship's quartermaster, José learns the intricacies of pirate life. But when he can, the Captain finds ways to pull José away from the crew, to teach him about his ancestors.

José finds his community. His place. His voice. His purpose.

This is a pirate story, but also a story of survival, of a young man's deep need to know who he is, where he comes from, and where he's going.

Canizales

Key Selling Points

- Sophisticated black-and-white artwork
- Balances suspense and social consciousness
- Strong, resourceful female protagonist
- Written by a Colombian author who was inspired by true reports of inhospitable conditions for displaced Colombian peoples

A suspenseful, socially conscious graphic novel with a singular visual style

Summary

Andrea, a young Indigenous Colombian woman, has returned to the land she calls home. Only nineteen years old, she comes to mourn her lost child, carrying a box in her arms. And she comes with another mission. Andrea has hidden a camera upon herself. If she can capture evidence of the illegal mining that displaced her family, it will mark the first step toward reclaiming their land. This socially conscious thriller from graphic novelist Canizales examines the injustices of his home country in a stark, distinctive style.

Call Me Miss Hamilton

One Woman's Case for Equality and Respect

Carole Boston Weatherford, Jeffery Boston Weatherford

Key Selling Points

- Written in free verse by award-winning author Carole Boston Weatherford
- A story from the Civil Rights Movement that's not been the focus of any book (for children or adults)
- Mary Hamilton was a member of the Congress of Racial Equality (C.O.R.E.) and took part in Freedom Rides
- Distinctive digital scratchboard illustrations from Jeffery Boston Weatherford, in his picture book debut

The true story of Civil Rights activist Mary Hamilton, who took her fight for respect all the way to the US Supreme Court -- and won

Summary

Discover the true story of the woman Dr. Martin Luther King Jr. nicknamed "Red" because of her fiery spirit!

Mary Hamilton grew up knowing right from wrong. She was proud to be Black, and when the chance came along to join the Civil Rights Movement and become a Freedom Rider, she was eager to fight for what she believed in. Mary was arrested again and again—and she did not back down when faced with insults or disrespect. In an Alabama court, a white prosecutor called her by her first name, but she refused to answer unless he called her “Miss Hamilton.” The judge charged her with contempt of court, but that wasn’t the end of it. Miss Mary Hamilton fought the contempt charge all the way to the Supreme Court.

Powerful free verse from Carole Boston Weatherford and striking scratchboard illustrations by Jeffery Boston Weatherford, accompanied by archival photographs, honor this unsung heroine who took a stand for respect—and won.

Contributor Bio

Carole Boston Weatherford is the author of numerous award-winning books including *BOX: Henry Brown Mails Himself to Freedom*, illustrated by Michele Wood which received a Newbery Honor and *R-E-S-P-E-C-T: Aretha Franklin, the Queen of Soul*, illustrated by Frank Morrison which won the 2021 Coretta Scott King Illustrator Book Award. When she's not traveling or visiting museums, Carole is mining the past for family stories, fading traditions, and forgotten struggles. She lives in North Carolina.

Jeffery Boston Weatherford is an award-winning illustrator, poet, and founder of the global hip hop collective Triibe Worldwide. Jeffery earned a Master of Fine Arts degree from Howard University where he was a Romare Bearden Scholar. As a teaching artist for the National Book Foundation, he has lectured, performed and conducted workshops in the U.S., Africa, and the Middle East. His illustrated titles include *You Can Fly: The Tuskegee Airmen*, *Africa*, *A Bat Cave: an Abecedarian Bedtime Chronicle*, and *Call Me Miss Hamilton*. He lives and works in Maryland.

What Do You See?

A Conversation in Pictures

Barney Saltzberg, Jamie Lee Curtis

Key Selling Points

- Popular author and beloved photographer
- Unique take on different ways to be creative
- All of us are creative in different ways
- Activity guide available

Picture book favorites Jamie Lee Curtis and Barney Saltzberg team up to show how we can all be creative - together!

Summary

How creatively do *you* see things?

She took photographs of things she loved and sent them to him. He drew pictures on her photographs of things he saw and sent them back to her.

Real-life friends Barney Saltzberg and Jamie Lee Curtis share their fun, funny, and imaginative creations, encouraging readers to find their own unique perspectives lurking in puddles and noodles, fruit and flowers. This project was born out of a school visit where Jamie complimented Barney's creativity, lamenting her own inability to draw . . . and Barney countered that everyone is creative in their own way. They joined forces to create a book that is sure to inspire kids of all ages.

Rumble and Roar

Sound around the World

Sue Fliess, Khoa Le

Key Selling Points

- Classroom read-aloud potential
- Strong science content
- Back matter includes more information about the science of sound and some of the key phenomena in the book (such as elephant communication and avalanches)
- A companion book to Flash and Gleam: Light in Our World

A gorgeous look at the many types of sound that exist all around us

Summary

Babble / Swoosh / Roar and WHOOSH!

The roar of a waterfall, the chirp of insects, the thump of a heartbeat—sound is all around us! Rhyming text and atmospheric illustrations present four children in different parts of the world who encounter all sorts of sounds.

Contributor Bio

Sue Fliess is the award-winning, bestselling author of *Robots, Robots Everywhere!*, *How to Trap a Leprechaun*, *Mary Had a Little Lab*, *Ninja Camp*, *Mrs. Claus Takes the Reins*, and dozens more. Although she loves big thunderstorms with lightning, her very favorite kind of light is an ocean sunset. Sue lives with her family in Northern Virginia. www.suefliess.com

Khoa Le has illustrated picture books published in a number of different countries, including the 2020 Sydney Taylor Honor book *Miriam at the River*. She is also an author, a graphic designer, and a painter. Khoa has a passion for travel, an eagerness to learn about different cultures, and a desire to discover the beauty of the world. Her inner moth makes her attracted to any source of light, but her dream is to one day see the northern lights. She lives in Ho Chi Minh, Vietnam, with her five cats.

Frank, Who Liked to Build

The Architecture of Frank Gehry

Deborah Blumenthal, Maria Brzozowska

Key Selling Points

- An inspiring picture book bio of Gehry that encourages kids to dream
- A great kid-friendly introduction to architecture as an art

A fascinating kid-focused story of famous architect Frank Gehry, lyrically told with striking illustrations

Summary

One building looks like it's been wrapped in tinfoil. Another looks like it's buried under a pile of paint chips. Frank Gehry has been called "the most important architect of our age". As a child, his parents thought of him as but nothing but a dreamer who wouldn't amount to anything. Even so, Frank kept dreaming and playing, eventually following his passions and becoming an architect who created astounding buildings that to this day attract millions of visitors worldwide.

"Being a Chicagoan, I know Frank Gehry's work in our beloved Pritzker Pavilion in Millennium Park. Frank, Who Liked to Build gives young readers a fascinating introduction to the creative vision behind one of the greatest architects of our time." — Sherri Duskey Rinker, author of the Goodnight, Goodnight, Construction Site Series

Contributor Bio

Deborah Blumenthal is an award-winning journalist and nutritionist, and the author of twenty-three books for adults and children. She has been a regular contributor to *The New York Times*. Her feature stories have appeared in a wide variety of national newspapers and magazines, including *The New York Daily News*, *The Washington Post*, *The Los Angeles Times*, *Harper's Bazaar*, *Vogue*, *Cosmopolitan*, *Family Circle*, and *Woman's Day*. Deborah lives in New York City.

Maria Brzozowska was born in Poland and spent most of her childhood growing up in Turkey, where she now lives. She's a graduate of Leeds Arts University, a visual storyteller who enjoys taking a poetic approach to her art. She uses traditional painting techniques aided by digital methods.

Washed Ashore

Making Art from Ocean Plastic

Kelly Crull

Key Selling Points

- A great STEAM title, focusing on biology, the environment, and art
- Back matter includes instructions for how readers can collect plastic trash and create their own sculptures
- Features an infographic showing the life cycle of a plastic water bottle and how the choices we make matter
- Each spread with a sculpture has a seek and find element along the bottom, encouraging readers to look closely for different items used to create the sculpture

Spectacular photos of animal sculptures are paired with fascinating facts about the animals and helpful tips to reduce trash in the world's oceans

Summary

Every day, we use plastic products. And where does these items go when we are done with them?

When artist Angela Haseltine Pozzi found plastic trash polluting the beach near her home, she took action. She formed an organization called Washed Ashore and started gathering trash from beaches and using it to create incredible sculptures of wildlife. These sculptures travel the country to teach people about the importance of these animals—and the problems caused by plastic pollution.

Author and photographer Kelly Crull highlights fourteen spectacular sculptures, along with hints to find common objects hidden among the debris. There's information about each ocean animal as well as tips for how you can reduce your plastic use, hold a beach cleanup and make your own plastic art. Be inspired to get creative in protecting the world's oceans!

Contributor Bio

Kelly Crull is an author, illustrator, and photographer. His writing career began in the second grade when his teacher gave him a blank picture book and told him to tell a story. He filled an entire bookshelf at the library at his school in Iowa. His joke book even had a waitlist!

Kelly is the author of a short stack of children's books including most recently *Washed Ashore: Making Art from Ocean Plastic*. Kelly's lively school visits have been known to include reenactments of the Running of the Bulls and La Tomatina, the world's largest food fight. Crazy fiestas like these happen every day in Spain where he lives with his wife and three children in an old stone house between a castle and a palace.

An Ambush of Tigers

A Wild Gathering of Collective Nouns

Betsy R. Rosenthal, Jago

Key Selling Points

- Great for teaching collective nouns
- Rhyming text makes for a fun read-aloud
- Playful art highlights the humor (such as showing a sleuth of bears dressed as detectives)

A fun-filled romp through the animal kingdom introduces collective nouns for animals through wordplay

Summary

Have you ever heard of a prickly of porcupines? Or a tower of giraffes? What about a parcel of penguins?

This fun-filled romp through the animal kingdom introduces collective nouns for animals through wordplay. Clever rhymes and humorous illustrations bring these collective nouns to life in funny ways, making it easy to remember which terms and animals go together. A glossary in the back matter offers further explanation of words used as collective nouns, such as sleuth meaning "detective."

"This crash course in juxtaposition and imagination should be celebrated with a peal of bells. An inspiring addition to any poetry collection."—starred, *School Library Journal*

"Cleverness abounds in Rosenthal's latest. . . .The tongue-in-cheek text never falters in its rhythm and rhyme. . . .The illustrations are a perfect match for the text's wit. . . .Collective nouns have never been this much fun."—starred, *Kirkus Reviews*

Like a Bird

The Art of the American Slave Song

Cynthia Grady, Michele Wood

Key Selling Points

- Presents a unique look at the experiences of enslaved Black people through thirteen spirituals
- For each song, the book includes lyrics, musical notation for the melody, original artwork, and text giving further details and context
- Extremely versatile; can be used in music and art classes as well as in history and social studies classes

A picture book of paintings and text interpreting selected spirituals by a librarian and a CSK Award-winning illustrator, now in paperback

Summary

NEW IN PAPERBACK

Enslaved African Americans longed for freedom, and that longing took many forms—including music. Drawing on biblical imagery, slave songs both expressed the sorrow of life in bondage and offered a rallying cry for the spirit.

Like a Bird brings together text, music, and illustrations by Coretta Scott King Award-winning illustrator Michele Wood to convey the rich meaning behind thirteen of these powerful songs.

Contributor Bio

Cynthia Grady is an author as well as a former middle school librarian and teacher. She lives in New Mexico where she plays music for her two rabbits, Finoa and Banjo. Visit her at www.cynthiagrady.com.

Michele Wood is an illustrator, painter, and designer living in Indianapolis. Her first book, *Going Back Home*, was honored with an American Book Award. Wood's second book, *I See the Rhythm*, written by Toyomi Igus, received the Coretta Scott King Award for Illustration. After illustrating Cynthia Grady's *I Lay My Stitches Down*, Wood was honored with the Ashley Bryan Award for Illustration and in 2016, she was nominated for an NAACP Image Award for the book *Chasing Freedom*. Her most recent work, *BOX: Henry Brown Mails Himself to Freedom*, won a Newbery Honor. Wood's work continues to be exhibited in major art spaces across the country.

Forgotten Bones

Uncovering a Slave Cemetery

Lois Miner Huey

Key Selling Points

- Authored by an archaeologist with a gift for writing forensic mysteries
- Chronicles the discovery of one of only three known slave cemeteries in northeastern US
- Shows how scientists could determine what the enslaved people's work may have been like, how they were treated, what they ate, where they came from, and more
- Includes facial reconstructions created from the skeletons

When workers in Albany, New York, uncovered a skull, their construction site transformed into an archaeological dig, revealing a long-lost cemetery for enslaved people

Summary

An ordinary construction project uncovers an extraordinary archaeological discovery.

Imagine you're watching a backhoe dig up the ground for a construction project when a round object rolls down a pile of dirt and stops at your feet. You pick it up, brush off some dirt, and realize you're holding a skull!

This is exactly what happened in Albany, New York, in 2005. Workers were putting in new sewer line when a backhoe driver dug up a skull. After police declared the skull wasn't connected to any recent crimes, a team of archaeologists took a closer look. They determined the skull was from a Black person who had died at least one hundred years earlier.

Suddenly the construction site turned into an archaeological dig. Scientists excavated more bones and realized that they had located a long-lost cemetery for enslaved people from the 1700s. Slavery had been legal in the northern United States, including in New York State, in colonial times, but the stories of these enslaved people are largely unknown. This site became just the third slave cemetery ever to be excavated in the North. See how archaeologists pieced together the truth about these once forgotten bones.

"A fascinating glimpse into how archaeologists piece together the past."—*Booklist*

How to Be a Difficult Bitch

Claim Your Power, Ditch the Haters, and Feel Good Doing It

Halley Bondy, Mary C. Fernandez, Sharon Lynn Pruitt-Young, Zara Hanawalt

Key Selling Points

- Filled with funny but important poignant messages
- Contributions from a diverse group of writers explore the realities of reclaiming the term "difficult bitch" for people of different ethnic backgrounds, abilities, and gender identities
- Full-color original art rounds out the irreverence and intersectionality of the content

Empowers teens to love and stand up for themselves and those around them by outlining situations in which a reader can-and should-be a "difficult bitch"

Summary

In the past, being a "difficult bitch" was bad. Girls weren't supposed to call people out for their BS, stand up for themselves, or do their own thing. This book embraces the insult with irreverent humor, encouraging readers to be themselves no matter what, including an exploration of the ways this phrase can be interpreted differently among people of different backgrounds.

Being a powerhouse is a choice. It's a lifestyle. It's a code of ethics. It takes work, a thick skin, and perseverance. In this book, you'll learn the ins and outs of being a Difficult Bitch, from school to friends to body to life.

Contributor Bio

Attention Hijacked

Using Mindfulness to Reclaim Your Brain from Tech

Erica B. Marcus

Key Selling Points

- Empowers teens with information and strategies to create their own healthy technology diet
- Addresses some of the common narratives and misinformation around technology
- Focuses on all types of technology use, not just social media
- Encourages readers to share their knowledge with family and friends
- Author has more than 15 years of experience as a classroom teacher, mindfulness educator, and senior wilderness youth therapy field staff member

Discover how to create a personalized healthy relationship with technology using mindfulness techniques

Summary

Technology is everywhere—computers, TVs, phones, and tablets. For years, scientists have warned that too much screen time may have negative effects. With portable devices and remote learning, it is even more difficult for young adults to put down electronics. *Attention Hijacked* offers a roadmap for readers to decide how they want to deal with technology, exploring the ways technology impacts the individual, dispelling common misinformation, and using this knowledge to make personalized decisions. Using mindfulness techniques, this book gives readers the power to intentionally take charge of their technology use.

Contributor Bio

Erica Marcus has spent over fifteen years learning from the teens she works with as a classroom teacher, mindfulness educator/director, and a wilderness youth therapy field guide. She is based in Portland, Maine.

Glowing Bunnies!?

Why We're Making Hybrids, Chimeras, and Clones

Jeff Campbell

Key Selling Points

- Award-winning author with track record of well-reviewed middle-grade science
- Focuses on the animals themselves
- Bioengineering is a hot topic with ripped-from-the-headlines stories; these issues will only increase in prominence
- Features bizarre, unique megafauna
- Raises pertinent questions about the ethics of bioengineering
- An excellent companion or supplemental text for STEM, science, and social science classes in middle school and high school

A fun, factual middle-grade/YA book about new ventures in animal bioengineering by an award-winning author

Summary

With modern genetic technologies, science fiction's "what if?" has become the scientist's "why not?" Bioengineering has the potential to remake animals in almost any way we can imagine, and it's being used to solve a range of urgent global problems, including climate change, species extinctions, the destruction of natural habitats, and human health issues.

In the pages of *Glowing Bunnies!?* you will encounter some of the strange and wonderful genetically modified animals of tomorrow. Learn why scientists are going to such lengths to mess with genes and what the ethical and health-related consequences might be. By understanding both the science and the stakes, you too can judge the potential of this budding science to save—or ruin—the world.

Presented as a compendium of existing and proposed creatures, this book describes the animals being created, the scientific techniques involved, and each animal's purpose. Additionally, it addresses bioethics, unintended consequences, and animal welfare.

Contributor Bio

Jeff Campbell is a freelance writer and book editor. For twelve years he was a travel writer for Lonely Planet, coauthoring guidebooks on Hawaii, Florida, the Southwest, and other US destinations. As an editor for the past twenty years, he has specialized in animal intelligence and emotions, among other topics. In particular he has worked with Dr. Marc Bekoff on several books, such as the highly regarded *The Emotional Lives of Animals*. He lives in Northern New Jersey.

Raquela's Seder

Joel Edward Stein, Sara Ugolotti

Key Selling Points

- This story takes place among the Sephardic community of Spain during the Inquisition

A Passover story of a girl who learns to appreciate her Jewish heritage in Inquisition-era Spain

Summary

Raquela yearns to celebrate a Passover seder, but Inquisition-era Spain is a time when Jews must hide their religion. Under the rising moon, her clever papa, the best fisherman in town, creates a unique celebration for his family. In his fishing boat on the sea, far from prying eyes, they celebrate Raquela's first seder with matzah and the Passover story.

Contributor Bio

Joel Stein is a former staff writer for CTB/McGraw-Hill. A member of the Society of Children's Book Writers and Illustrators, he lives in Florida with his wife, son, two birds, and a tortoise. His books include *A Hanukkah with Mazel*, *The Pigeon Man*, and *The Capture of Rafael Ortega*.

Sara Ugolotti was born near Reggio Emilia, in the north of Italy. She earned a degree in Illustration at the International School of Comics in Reggio Emilia. She draws and paints using different techniques but mainly works in digital format. Her projects include magazines, children's book illustration and cartoon animations. Her illustrations have been selected for exhibitions throughout the world. She lives in Parma, Italy.

Bedtime for Maziks

Yael Levy, Nabila Adani

Key Selling Points

- Yiddish words have become increasingly popular in Jewish children's books
- Introduces the yiddish word "mazik"

A Jewish take on the classic picture book Where the Wild Things Are

Summary

After a day of roly-poly fun and shenanigans, it's bedtime for maziks, the Yiddish word for pranksters or little mischief-makers, a name Jewish parents may lovingly call their rambunctious little ones. Join the maziks as they joyfully make their way through the day in this fun-filled rhyming tale.

Contributor Bio

Yael Levy is an author and illustrator who loves creating books for children. Her work is published in a variety of places, most notably in the Jerusalem Post.

Nabila Adani was born and grew up in Jakarta, Indonesia. She has loved drawing and telling stories as long as she can remember. She got the idea to illustrate children's books while looking for Indonesian picture books for her son. She lives in Jakarta.

The Button Box

Fawzia Gilani-Williams, Bridget Hodder, Harshad Marathe

Key Selling Points

- Popular time-travel format where kids go back in history
- Features friendship between a girl of Sephardic Jewish heritage and a Muslim boy

An #OwnVoices story cowritten by a Jewish author and a Muslim author, featuring a pair of best friends—one Jewish and one Muslim—going back in time to learn about their shared past

Summary

After Jewish fifth-grader Ava and her Muslim best friend Nadeem are called hateful names at school, Ava's Granny Buena rummages in her closet and pulls out a glittering crystal button box. It's packed with buttons that generations of Ava's Sephardic ancestors have cherished. With the help of Granny's mysterious cat Sheba, Ava and Nadeem discover that a button from the button box will take them back in time. Suddenly, they are in ancient Morocco, where Nadeem's ancestor, Prince Abdur Rahman, is running for his life. Can Ava and Nadeem help the prince escape to Spain and fulfill his destiny, creating a legendary Golden Age for Muslims, Jews and Christians?

Contributor Bio

Fawzia Gilani was born and raised in England where she became a teacher. She is the author of many children's books, including *A Treasury of Eid Tales*, and is currently working on an Islamic fairy tale series. She serves as an international educational consultant with a PhD in children's literature and character development. She is a Global Representative for the International Positive Education Network and works for the Abu Dhabi Education Council. She spends her time in the United Arab Emirates, Ohio, and England with her daughter and husband. She looks forward to the day when world conflict is no more.

Bridget Hodder, a self-described dreamer and do-gooder, began her career as an Aztec archaeologist, translating ancient documents telling the stories of people from long ago. Then she realized she had her own tales to tell. She has a History degree from Mount Holyoke College, as well as M.A.s in Archaeology and Anthropology from UCLA and Vanderbilt University, where she chairs the Research & Education Advisory Board for the Vanderbilt University Graduate School.

Harshad Marathe is an illustrator and storyteller. A graduate of the M.F.A. *Illustration as Visual Essay Program at the School of Visual Arts* in New York City, he has illustrated many books. He has backpacked all over the world on a shoestring budget, taking in many diverse experiences. He lives in India.

When Lightnin' Struck

Betsy R. Rosenthal

Key Selling Points

- Timely topic: kids being bullied as they try to fit in (including an immigrant)
- A coming-of-age story about a boy who finds out he comes from a family of Converso-Jews, a subject of particular interest in the Jewish community today

A tale about an outcast tween overcoming the challenges of fitting in, as he embraces his surprising family history

Summary

It's 1928 in Odessa, Texas, and eleven-year-old James is struggling to find his purpose in life and to uncover a family secret. With his father struck dead by lightning and his mother in jail, he is taken in by his grandparents. Treated as a pariah at school, James is taunted as being cursed by his family's bad luck. But he finds a friend in Paul, a Russian immigrant, who is also treated as an outcast, and together, they battle the school bully. But James's life is turned upside-down yet again when he uncovers a family secret involving his beloved grandmother. His discovery leads him to find the sense of purpose he's been seeking.

The Might and Majesty of the Home Run

Matt Doeden

Drop In Title

Key Selling Points

- Features current stars and up-to-date information as well as historical context
- High-interest topic attracts strong and reluctant readers alike

From Babe Ruth and Mickey Mantle to Mike Trout and Pete Alonso, discover baseball's greatest sluggers

Summary

In 1921, New York Yankees slugger Babe Ruth smashed a home run that sailed 575 feet (175 m), the longest homer ever hit in a Major League Baseball game. Ruth's home runs thrilled fans and revolutionized the game. One hundred years later, the home run is still the most exciting play in baseball.

Read about the longest, strangest, and most important home runs in baseball history. See how the game's superstars hit the ball so far, and learn about the ways players have cheated to hit home runs, from performance-enhancing drugs to corked bats and stolen signs. Take a high-flying journey from baseball's early days to today's biggest sluggers.

Contributor Bio

Matt Doeden began his career as a sports writer. Since then, he's spent more than a decade writing and editing children's nonfiction. Matt lives in Minnesota with his family.

Key Selling Points

- In-depth STEM content (biology, conservation science, climatology, high technology developments, oceanography, citizen science, and more)
- Primary-source content from field interviews with experts
- Infographics extend STEM content

Meet the scientists, citizen scientists, researchers, whale watching guides, and other concerned citizens who are working together to protect whale populations around the globe.

Summary

Decades of commercial whaling nearly decimated a variety of whales considered a keystone species. Keystone species are indicators of the overall health of Earth's habitats. While whales have made a comeback through an international ban on commercial whaling, they are still threatened with extinction. Global warming, water and noise pollution, and commercial shipping and fishing are among the most serious threats to whale survival. Meet the scientists, citizen scientists, researchers, whale watching guides, and other concerned citizens who are working together to protect whale populations around the globe. Learn about whale biology, habitats, and behavior, and discover more about the high-technology tools that help researchers in their work.

Contributor Bio

Karen Romano Young has dived to the bottom of the Pacific Ocean in a tiny submarine, crunched through Arctic ice in an icebreaker, and visited labs, museum workshops, and research institutions across the U.S. to write and draw about science. She was a lead science communications fellow aboard Dr. Robert Ballard's research ship E/V Nautilus.

Sharks are in trouble - find out what scientists are doing to help.

Summary

Sharks are in trouble. Fifty shark species are at high risk of extinction, and another sixty-three are threatened. Discover the work of scientists and conservationists as they study shark biology and morphology; research migration, feeding, and mating patterns; delve into human, climate, and other threats to shark habitat; and develop sophisticated technologies to aid sharks and shark research. See how scientists also educate the public about real and imagined fear of sharks and encourage citizen participation in shark conservation efforts. You can even adopt a shark!

Mindfulness and Meditation

Handling Life with a Calm and Focused Mind

Whitney Stewart

Drop In Title

Key Selling Points

- Author Whitney Stewart is a mindfulness expert who has practiced mindfulness and meditation for more than forty years
- Stewart regularly writes on the subject and guides mindfulness sessions in K-12 and other public settings
- High interest, lifestyle content for teens with guided meditations in each chapter
- Practical, easy-to-follow guide to stress reduction
- Teen stress, anxiety, and suicide are on the rise. Mindfulness is a high-interest, contemporary approach to stress reduction, increasingly incorporated in K-12 schools across the nation.
- Scientific studies show that meditation works. The brain produces higher levels of gamma waves, linked to improved focus, information processing, and memory. The left prefrontal cortex also gets a boost, creating an enhanced feeling of happiness in the practitioner.

A guide to a less stressful life for teens

Summary

From hormones to homework, parents to peers, health issues to bad habits, life can be a pressure cooker leading to anxiety and even thoughts of suicide. How can we find relief? Author Whitney Stewart introduces readers to the practice of mindfulness. With its roots in ancient Buddhist teachings, mindfulness—the practice of purposefully focusing attention on the present moment—can change a person's approach to stress, develop skills to handle anxiety and depression, and provide a sense of awareness and belonging. Stewart guides readers through how to get started with meditation as well as provides specific exercises for examining emotions, managing stress, checking social media habits and wellness routines, and setting intentions to increase happiness.

Contributor Bio

Whitney Stewart is an award-winning author of fiction and nonfiction books for kids—for toddlers to young adult. Her research has taken her to Nepal with Sir Edmund Hillary, to India to interview the Dalai Lama, and to China's Great Wall. She also teaches mindfulness and meditation and lives in New Orleans.
