

Lerner™ Sports Database

Score big with sports fans, reluctant readers, and report writers!

Lerner Sports is a database of high-interest biographies profiling sports superstars. Packed with fascinating facts, these bios explore the backgrounds, career-defining moments, and everyday lives of popular athletes. Lerner Sports is perfect for students in grades 2-5 developing research skills or looking for exciting sports content.

Lerner Sports is an accessible, interactive reading and research tool. With a kid-friendly, easy-to-use design, the Lerner Sports helps teach modern research skills and promotes digital literacy via unique sports content. Easy search and convenient filters lead students to fun, age-appropriate articles full of regularly updated information. Sports buffs and report writers alike will find plenty to cheer about while developing online research skills!
