# Lerner DIGITAL™

## *interactive books*

Lerner Interactive Books™ offer high-interest nonfiction and fiction for K-6 in an exciting interactive format. Designed to improve key literacy skills for emergent and struggling readers, Lerner Interactive Books make reading fun—not frustrating. Lerner Interactive Books:

- **Support a variety of learners and programs:**

Beginning readers, struggling readers, auditory learners, ELL/ESL students, special needs, blended learning, reading recovery/early intervention, literacy initiatives, small-group and whole-class instruction, after-school programs.

- **Engage students:** Familiar, easy-to-use controls make readers comfortable. Professional human narration pulls readers into the story, providing emphasis and inflection that assist in comprehension.

- **Improve reading skills:** Text highlighting assists readers in making audio and visual connections. Students quickly build their word recognition, pronunciation, and fluency skills. Each title also contains a pen and highlighter tool for interacting with the text.

- **Adapt to readers with three audio speeds:** Users can match the reading speed to the appropriate pace, allowing readers to advance as their skills and confidence grow.

- **Offer supplemental features:** Each book includes extra content such as a comprehension quiz, downloadable activities and games, video and sound clips, glossary and more!

- **Provide great value:** Multi-user access allows books to be used by an unlimited number of students in a school building at the same time. Schools buy it once and own it forever.

**Individual Multi-User Titles:** \$39.99 each

**Series Bundle:** Save 10%, the equivalent of \$35.99 per title

# SCAN & READ!

Product shown: *Let's Explore Sound* from the *Bumba Books™ — A First Look at Physical Science* series (see page 4).

1

## INTEGRATED SOUND & HIGHLIGHTED TEXT

Audio narration allows kids to follow along as each word is highlighted on the screen. Sound can be turned off for students to practice reading independently.

2

## THREE AUDIO SPEEDS

Three audio speeds support struggling, at-level, and newly fluent readers. All audio is professionally recorded by live voice talent. Students can adjust the reading pace to their reading ability.

3

## SINGLE WORD REPEAT

Click any word on the page to hear it repeated.

4

## PAGE TURN

When auto page-turn is off, visual and auditory cues alert readers to click or turn to the next page. Activate auto page-turn for a continuous reading experience.

5

## PROGRESS BAR

The click-and-drag interactive progress bar allows readers to quickly jump to pages within the book.

6

## FUN

This tab provides links to extras such as online games, video or sound clips, activities, or downloadable lessons.

7

## QUIZ

Each book includes a short multiple-choice quiz to verify reading comprehension. With one click, the student can output their graded quiz as a PDF for easy printing or emailing.

8

## TOOLS

The zoom-in feature allows readers to enlarge text for easier reading. Pen, highlighter, and eraser tools allow students to interact with the text.

9

## GLOSSARY

Students can click to hear the definitions read aloud.

10

## HELP SECTION

A teaching guide and an implementation guide provide lesson ideas. Additionally, educators can access a white paper detailing the reading development research behind Lerner Interactive Books.

## Bumba Books™ — A First Look at Physical Science

What's the difference between transparent and opaque? How can water take the form of ice and vapor? What keeps the moon in Earth's orbit? Introduce the concepts of gravity, sound, light, and the states of matter in this beginning reader series.

Reading Level: K-1 • Interest Level: PreK-1

## Bumba Books™ — Dinosaurs and Prehistoric Beasts

Discover what scientists know about the amazing beasts that roamed the earth millions of years ago. Meet cats with giant teeth, woolly mammoths with thick fur, and even dinosaurs with feathers! Fascinating, realistic illustrations will draw in early readers.

Reading Level: K-1 • Interest Level: PreK-1

## Bumba Books™ —Feelings Matter

Explore feelings with this engaging series. Vibrant photos and simple text introduce the basics of each type of feeling and make connections to readers' experiences. Age-appropriate critical thinking questions encourage readers to think more about the topic.

Reading Level: K-1 • Interest Level: PreK-1

## Bumba Books™ — Fun Firsts

There's a first time for everything! Celebrate these milestones with **Fun Firsts**. Carefully leveled text, full-color photographs, diagrams, and age-appropriate critical thinking questions guide readers through each topic.

Reading Level: K-1 • Interest Level: PreK-1

## Bumba Books™ — Hooray for Community Helpers!

Who makes a difference in your community? Young readers are fascinated by community helpers. Simple text and vibrant photos introduce how all kinds of community helpers contribute. Age-appropriate critical thinking questions and a photo glossary help build nonfiction reading skills.

Reading Level: K-1 • Interest Level: PreK-1

## First Step Nonfiction — Graph It!

Informative photographs and simple texts familiarize readers with a variety of graphs. Students will see how graphs organize data and make it easier to understand. This series meets standards for both math and language arts.

Reading Level: 1 • Interest Level: K-2

## First Step Nonfiction — Let's Look at Plants

Vibrant color photographs and simple sentences introduce students to the parts of plants. Students will love learning about plants while improving their reading skills. This series meets both science and reading standards.

Reading Level: 1 • Interest Level: K-2

## First Step Nonfiction — Let's Watch the Weather

This simple series introduces emergent readers to the ins and outs of weather. Vibrant photos directly match the text on each page, helping kids learn about weather in a fun and useful way.

Reading Level: 1 • Interest Level: K-2

## First Step Nonfiction — Light and Sound

This simple, engaging series for beginning readers illuminates the basic properties of light and sound, from colors, shadows, and vibrations to ways we can communicate with light and sound.

Reading Level: 1 • Interest Level: K-2

## First Step Nonfiction — Pollination

Emergent readers discover the process of pollination through simple nonfiction text. The books showcase connections between plants and animals as they depend on each other for survival. Main ideas are clearly explained, and science-specific vocabulary is supported by diagrams and photos.

Reading Level: 1 • Interest Level: K-2

## First Step Nonfiction — Responsibility in Action

This easy-reading series gives examples of how young people can show responsibility. Simple, straightforward text helps beginning readers understand what a process is and teaches them sequencing vocabulary.

Reading Level: 1 • Interest Level: K-2

## First Step Nonfiction — Tools at Work

Vibrant color photographs and simple sentences introduce students to a variety of tools. Students will learn how these basic tools work while improving their reading skills.

Reading Level: 1 • Interest Level: K-2

## Searchlight Books™ — How Do Simple Machines Work?

Support young readers as they tackle a key question—**How Do Simple Machines Work?** Easy-reading text introduces wedges, levers, pulleys, and more. Hands-on experiments, instructive photos, and diagrams demonstrate how machines make everyday life easier.

Reading Level: 3-4 • Interest Level: 3-5

## Searchlight Books™ — How Do We Use Money?

Students need critical thinking and financial literacy skills to make good decisions about how they use money. Students will learn about earning, budgeting, spending, and saving money, and they will be introduced to the concepts of credit and investments.

Reading Level: 3-4 • Interest Level: 3-5

## Searchlight Books™ — How Does Energy Work?

Spark interest in energy, including electricity, heat, light and more. Clear and simple text delivers the background information students need to understand each form of energy.

Reading Level: 3-4 • Interest Level: 3-5

## Searchlight Books™ — How Does Government Work?

As part of the **Searchlight Books™** collection, this series sheds light on an important civics question—how does government work? Informative text, interesting photos, and useful examples will help you find the answer.

Reading Level: 3-4 • Interest Level: 3-5

## Searchlight Books™ — How Does Your Body Work?

Discover the workings of the human body! Each volume explains how a system functions and interacts with the rest of the body. The series meets national science standards for fourth grade.

Reading Level: 3-4 • Interest Level: 3-5

## Searchlight Books™ — What Are Earth's Cycles?

This essential science offering helps readers understand the major cycles that take place on Earth. Students will learn how elements in the natural environment interact and change in the course of repeating cycles.

Reading Level: 3-4 • Interest Level: 3-5
