Sundance Newbridge is now part of Lerner Publishing Group!

Dear Educator.

We are thrilled to share some exciting news with you. Lerner Publishing Group, a leading independent children's publishing company, acquired Sundance Newbridge Publishing in 2024, bringing together two organizations with a shared vision for and a deep commitment to supporting young learners.

Lerner Publishing Group, founded in 1959, has been a trusted name in children's educational publishing for more than six decades. Our mission is to empower young readers with books that ignite curiosity, foster a love for learning, and encourage lifelong literacy.

Sundance Newbridge Publishing has a long-standing reputation for providing highquality supplemental solutions that support literacy development in the early and middle grades. Our resources have been trusted by educators for years, offering both rigor and accessibility in ways that meet the diverse needs of learners.

Both companies believe in making sure every child has the resources they need to succeed. The joining of Lerner Publishing Group and Sundance Newbridge Publishing will allow us to expand our offerings and help us to better support educators. Our combined expertise means more innovative solutions for literacy development, including expanded content reader series, decodables, intervention materials, and easy-to-use reading and writing kits. Our focus is to create culturally relevant, standards-aligned content that supports every student.

Thank you for your continued dedication to students and for trusting us to be part of your journey. Together, we can empower children to read, learn, and succeed.

Sincerely,

Adam Lerner

CEO & Publisher of Lerner Publishing Group

Our NEW Flexible, Easy-to-Use Literacy Solutions

Phonics Fun Decodables

Grades K-2

54 Decodable Readers to Refresh Your Classroom Library

Three levels of Fiction texts that follow a detailed Scope & Sequence

The **Phonics Fun Decodables** series provides 18 titles and corresponding lesson plans per level with interesting storylines, charming art, and phonics lessons based on the Science of Reading framework to support students as they develop their foundational skills.

- Appealing illustrations and fun text that teaches a new phonics skill
- Words that contain sounds from previously taught skills
- Prompts that encourage readers to write or draw based on the book's topic
- Handy information box on each book cover with Phonics Skill Focus, Decodable Words, High-Frequency Words, and Knowledge Building Words
- Minimum Decodability Percentage: 65%

Each Lesson Plan contains:

- Phonics and Word Mapping instruction before reading
- Quick Check for Comprehension questions during reading and Fluency Practice after reading
- English Language Learners support specific to the phonics focus
- Blackline Master with Word Review and Writing Exercises

Decodable Texts that Increase in Complexity over 3 Levels of Engaging Stories

Level 1

- Introduces consonant, short vowel, and long vowel (CVCe) sounds
- Builds skills from the simple to the more complex
- Offers stories with relatable characters

Level 2

- Focuses on consonant blends and digraphs, vowel teams, and inflectional endings
- Helps build skills and reading confidence
- Develops knowledge-building and highfrequency word vocabulary

Enhance Your Structured Literacy Instruction with Supplemental Research-Based Decodable Kits

Decodable Books and Systematic Instruction build a strong foundation in Early Literacy skills. The research-based Literacy instruction in Phonemic Awareness, Phonics, Fluency, and Comprehension is explicit and systematic. Easy-to-use, all-in-one kits contain student materials in print and digital formats, and can be used to enrich most core programs.

Immerse Students in Science & Social Studies Topics with Content-Rich Decodable Reader Kits

PROVIDE young learners with the background knowledge, vocabulary, and decoding tools needed to become successful readers.

INTRODUCE new Phonics Skills and High-Frequency Words in Decodable Readers that gradually increase in difficulty.

RELY on Explicit Instruction in each Lesson Plan to teach standards-aligned content knowledge and vocabulary, as well as phonics skills.

SUPPORT knowledge and vocabulary understanding with Blackline Masters and Assessments.

Decoder Kids Content is a Beginning Reading solution that teaches standards-aligned content and vocabulary in 5 Science and 5 Social Studies units each for Grades 1 and 2.

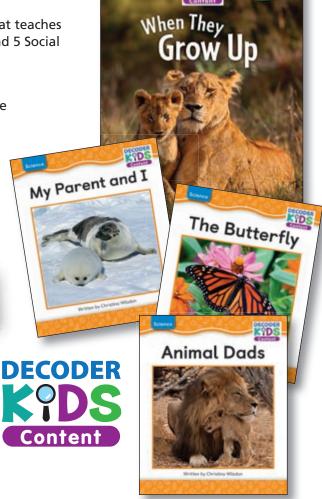

Each unit contains:

 A Nonfiction Read Aloud that introduces the Science or Social Studies topic.

• Striking and engaging photographs that contribute to authentic and meaningful reading experiences in 3 Nonfiction Decodable Readers.

 Explicit instruction that supports educators in whole group and small group settings to teach content knowledge and systematic phonics.

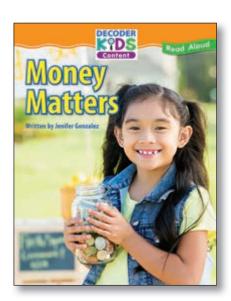

Unit Components: Read Aloud

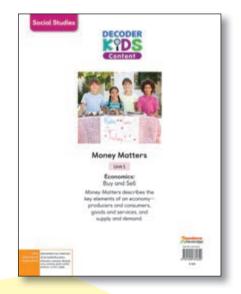

Read Alouds for each unit introduce content knowledge, key vocabulary, and complicated syntax

High-interest Read Alouds contain the background knowledge and content words essential to comprehending the unit topic with striking photographs and text features, including diagrams, maps, and captions.

Through an interactive reading of the 16-page Read Aloud, students learn about the world around them and study 10 content words that are defined in context and in the book's glossary.

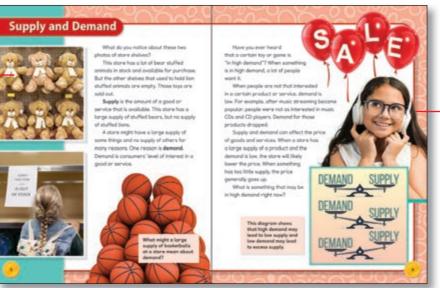

Grade 1
Unit 1:
Economics—
Buy and Sell

Subject/Strand Content Words Informational Text, Nonfiction Social Studies/Economics allowance, consumer, demand, earn, economy, good, market, producer, service, supply BOOK labels on the back of each Read Aloud contain organizational information for the teacher.

COMPLEX text that builds the foundation information related to the topic.

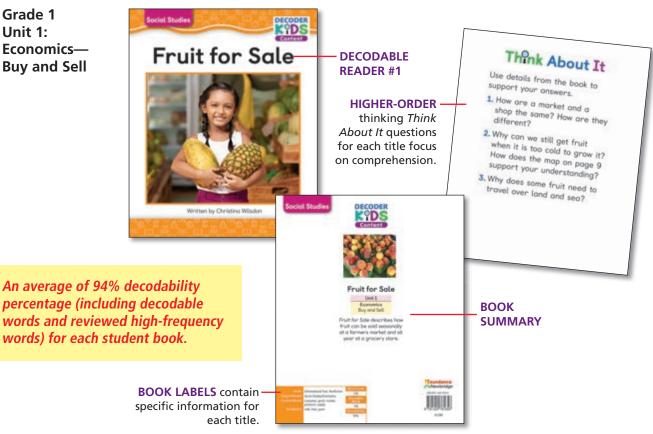

APPEALING photos and text features add interest and details.

DECODER KIDS CONTENT GRADES 1–2

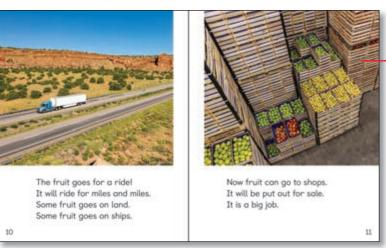

Unit Components: 3 Decodable Readers

The 12-page Decodable Readers give additional information about a subtopic introduced in the Read Aloud.

Grade 1 Unit 1: **Economics**— **Buy and Sell**

USE background knowledge learned in the Read Aloud to comprehend and gain more information about the topic.

TEXT-RELATED photographs, maps, and graphs support content knowledge building.

STUDENTS acquire 3 additional vocabulary words that are relevant to the decodable reader.

She is at a market. She looks at the goods. She chats with artists. What will she get?

What if a market is shut? We can look for a web site. Some artists have web sites. They sell gifts on them.

STUDENTS encounter the content words from the Read Aloud in context.

text practices phonics skills and highfrequency words.

Where can kids get money? Some kids get an allowance. Kids can spend this money. They can save some, too.

He gets an allowance. But he must do some jobs. So he makes his bed. He puts away stuff.

Decoder Kids Content Kits are available in Small Group 6-Pack Configurations

Easy-to-Use Phonics Kits Featuring Original Fiction & Nonfiction Decodable Readers with Explicit, Systematic Instruction

Overview

FOLLOW a defined Scope & Sequence for Grades K–2 as you progressively introduce letter-sound relationships in each Decodable Reader.

ENCOURAGE students to decode unfamiliar words.

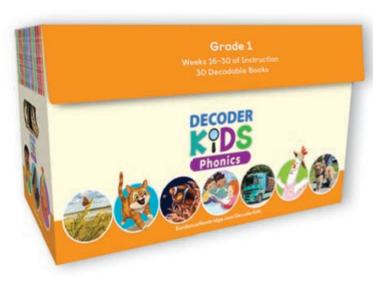

PRACTICE Phonics Skills and High-Frequency Words in context.

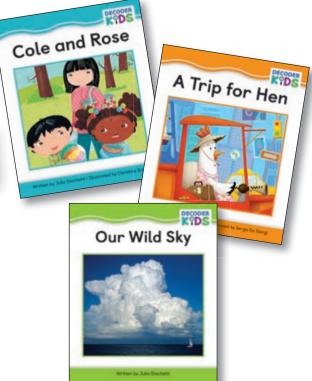

Decoder Kids is a Beginning Reading solution that introduces carefully sequenced letter-sound relationships in 150 decodable texts.

• **Delightful illustrations** and **striking photographs** contribute to authentic and meaningful reading experiences.

 Each book is tied to a systematic Scope & Sequence and provides practice with reading vowels, consonants, digraphs, and high-frequency words.

• Explicit instruction supports educators in whole group and small group settings, as they teach each phonics skill.

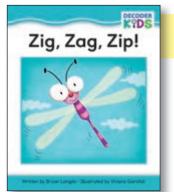

Phonics Practice with Decodable Texts

The Kindergarten Kit contains 30 Decodable Books in Print & Digital Formats:

- 1 Fiction or Nonfiction Book per Week for 30 Weeks
- Letter Recognition and Sound Correspondence, Short and Long Vowels, & Blends

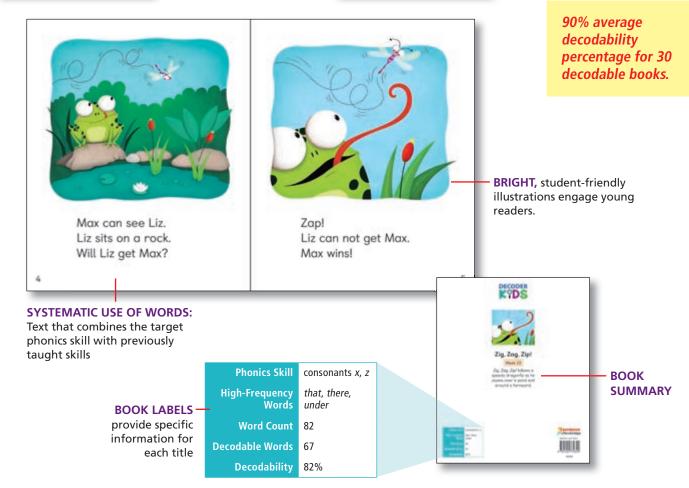

Week 22 Fiction

Adorable animal characters and relatable human characters, with a variety of settings and captivating plots

Week 14 Nonfiction

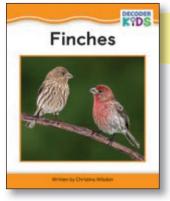

Engaging topics filled with interesting facts and striking photographs

DECODER KIDS PHONICS GRADES K-2

The Grade 1 Kit contains 60 Decodable Books in Print & Digital Formats:

- 2 Connected Fiction or Nonfiction Books per Week for 30 Weeks
- Short and Long Vowel Spellings, Digraphs, Blends, *r*-Controlled Vowels, & Diphthongs

Week 11, Book 1 Nonfiction WORD STUDY SKILL exemplar words throughout the text for a close analysis of word structures 93% average decodability percentage for 60 decodable books.

TEXT-RELATED photographs that support content knowledge building

Connected Fiction or Nonfiction texts relate the same Science or Social Studies topic.

A finch nest is made of stems, sticks, and grass. It is like a little cup. It is a good place for eggs.

A chick is hatching. It chips away at its shell. The little chick is pink. It has white fuzz.

ENGAGING Informational Texts with fascinating details, aligned to content standards

Week 11, Book 2 Nonfiction

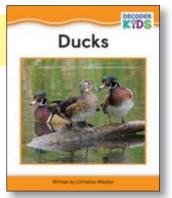

The duck eggs hatch. But Mom duck will not fetch food for the little ducks. They will be in the nest for just a day. What is the next step?

The next step is a big hop! The little ducks can not flap their wings yet. So they must jump down! But they will not crash. They land well.

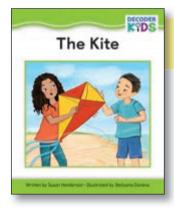

GRADE-APPROPRIATE text load that gradually increases from week to week

The Grade 2 Kit contains 60 Decodable Books in Print & Digital Formats:

- 2 Connected Fiction and Nonfiction Books per Week for 30 Weeks
- Build on the Phonics skills taught in Grade 1 with an additional focus on multisyllabic words and syllabication patterns

95% average decodability percentage for 60 decodable books.

ORIGINAL ILLUSTRATIONS for each Fiction Book

Week 12, Book 1 Fiction

10

"Um, that kite is . . ." Hope said. Then she stopped. She gazed at the child's smiling face. She said, "I mean, would you like me to show you how to fly a kite?"

"Yes! My name is Brody." the child soid.
"Okay, Brody. Just hold on to that string." Hope told him. "Then the kite will not blow away."

Connected Fiction & Nonfiction texts relate the same Science or Social Studies topic.

Week 12, Book 2 Nonfiction

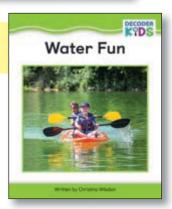

Going in water is fun, too. You can float and splash. You can swim. You can paddle like a dag. You can jump in with both feet.

Is the water cold? Dip in just a toe to test it.

You can see what kind of wildlife is in water. You can find ducks, frogs, and fish.

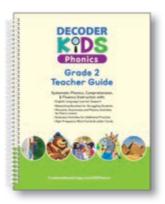

They kids have a water sample. They are looking at it to find tiny plants and bugs.

HIGH-FREQUENCY words being taught

DECODER KIDS PHONICS GRADES K-2

Teacher Guide

- English Language Learner Support
- Phonics Routines for Every Lesson
- Reteach Lessons for Struggling Students
- Extension Activities for Additional Practice
- High-Frequency Word Cards & Letter Cards

Lesson Plans

SYSTEMATIC phonics instruction builds on the skills

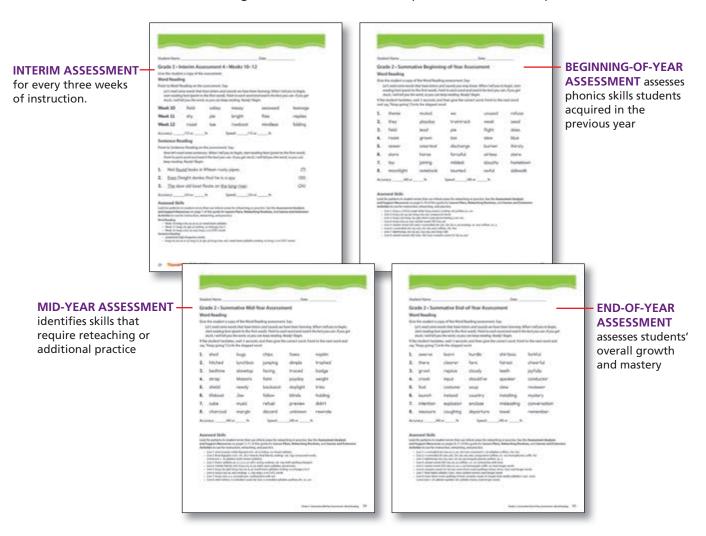

Assessment Guide

Decoder Kids offers assessments to help keep students on track. Aligned to the **Decoder Kids** Scope & Sequence, the assessments are easy to administer and designed to help analyze students' mastery of phonics skills. Use the assessments to form small groups for targeted instruction, reteaching, or practice.

- Interim assessments provide timely feedback and identify early on skills that require reteaching or practice. Use them at your discretion to evaluate students.
- Use the **Beginning-of-Year Assessment** to determine which skills need review or practice before introducing new skills.
- Use the Mid-Year Assessment to assess student progress after 15 weeks of instruction.
- Use the **End-of-Year Assessment** to leave notes for next year's teacher or to guide families who wish to provide summertime practice.

DECODER KIDS PHONICS GRADES K-2

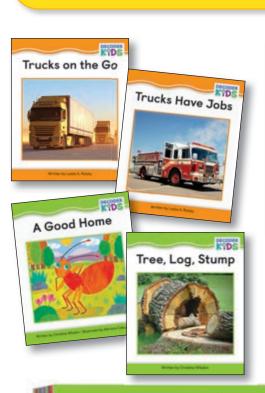

Decoder Kids Phonics Kits are Available in Small Group 6-Pack or Whole Class 24-Pack Configurations.

Each Kit Contains Systematic Instruction for Original, Meaningful Stories & Nonfiction Texts, with Phonics Practice.

Provide Rich, Meaningful Literacy Experiences for Young Students

ENGAGE young students with 105 developmentally appropriate Fiction and Nonfiction Texts that align to Science and Social Studies Standards, and cover a variety of text types and genres.

TEACH early Reading skills and concepts with explicit instruction in simple-to-use individual Lesson Plans for each Student book.

Great for ELL Students!

BUILD content knowledge and vocabulary while increasing fluency with appealing books that can be used for a range of grade levels.

Overview

The 105 **Sundance Starters** Fiction and Nonfiction Student Books contain accessible text for students learning print concepts, or ELL Students—with large photographs and illustrations to focus students' attention and promote literacy skills. Individual Lesson Plans for each book contain explicit instruction that emphasizes oral language acquisition, foundational skills, and ELL strategies.

Student Books: 6-Packs Contain Print & E-Book Formats

Introduce Young Students to High-Quality Student Books that Engage and Teach

25 Fiction Books

- Feature fun and engaging stories with diverse characters and strong picture-text correlations.
- **Increase** word knowledge and fluency with repetition of high-frequency words.
- Contain appealing illustrations.

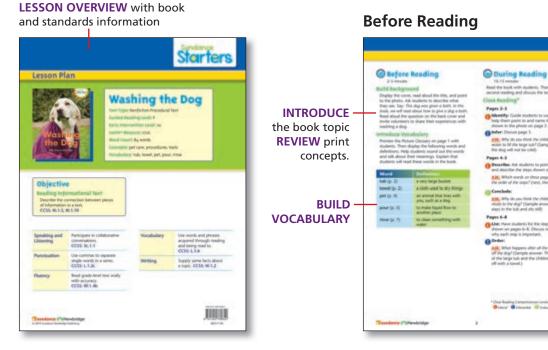

80 Nonfiction Books

- Build young students' content knowledge and vocabulary.
- **Cover** key content topics such as Families, Communities, Life Science, Physical Science and Engineering Design.
- **Contain** Nonfiction text features such as picture glossaries, tables of contents, and photographs with captions.

Easy-to-Use Instruction Provides Early Language Comprehension Strategies

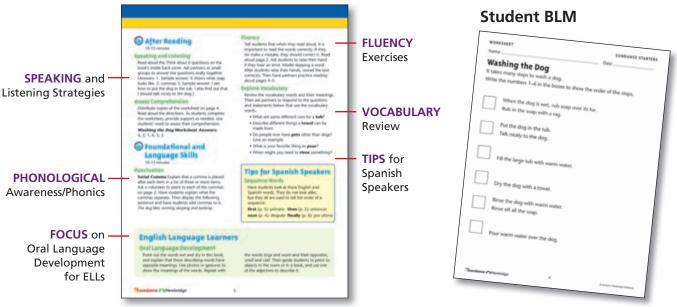

Lesson Overview

During Reading

CLOSE Reading Questions introduce students to language comprehension strategies.

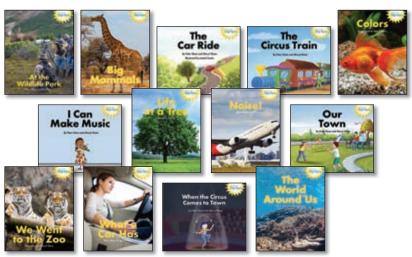

After Reading

Teach Key Foundational Skills with 50 Fun Story Books

Overview

Literactive Readers feature fun, engaging stories that focus on the five essential elements of reading instruction. **Literactive Readers** is designed to develop key skills for young readers with 50 storybooks organized into 5 carefully leveled sets that gradually increase in difficulty.

Student Books: 6-Packs Contain Print & E-Books

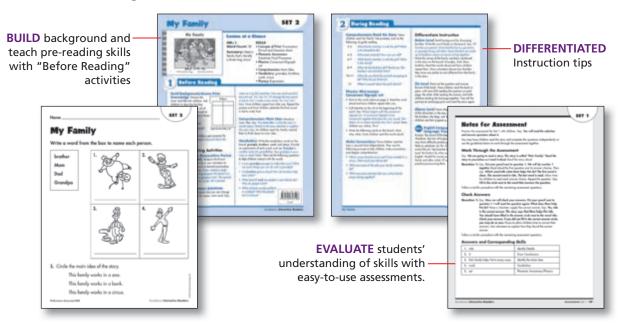

Great for small group and independent reading. Enhance learning and reinforce reading skills with

Literactive Reader E-books.

Lesson Plans

Easy-to-use Lesson Plans for each title provide explicit focus on the National Reading Panel's five core reading skills, and contain performance assessments, blackline masters, tips for differentiating instruction and working with ELL students.

Introduce Comprehension and Foundational Skills with Interactive and Differentiated Student Books and Instruction

Step 1: OFFER students exposure to a wide variety of text types.

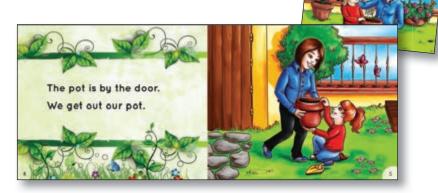

Step 2: INTEGRATE AND ENHANCE literacy instruction when you cover Reading, Language and Foundational Skills, and Writing in one lesson.

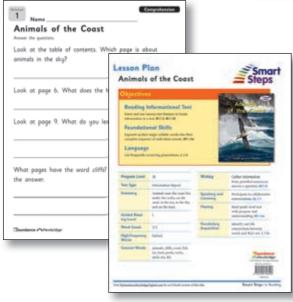

Step 3: DIFFERENTIATE your instruction and provide each student with the necessary Reading and Writing practice opportunities.

Step 4: EXTEND LEARNING and **SUPPORT DIGITAL LITERACY** through the interactive features found in the Digital Student Books.

Overview

Smart Steps is an easy-to-use Grades K–2 solution designed to teach young students language comprehension and foundational skills through explicit and flexible instruction.

Lesson Plans

Build Vocabulary and Oral Language Skills with Print and Digital Activities

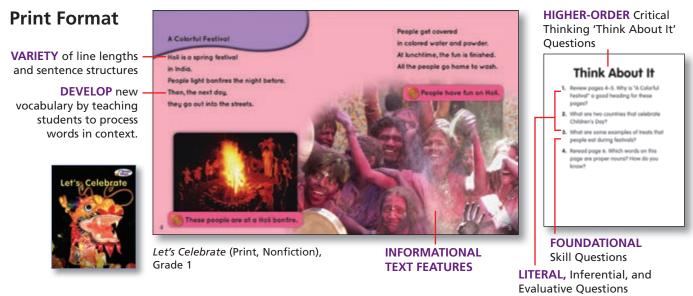

Each 6-page Lesson Plan includes 3-pages of Reading Instruction, Skills Practice Instruction, and 2 Worksheets.

Each Lesson Plan contains:

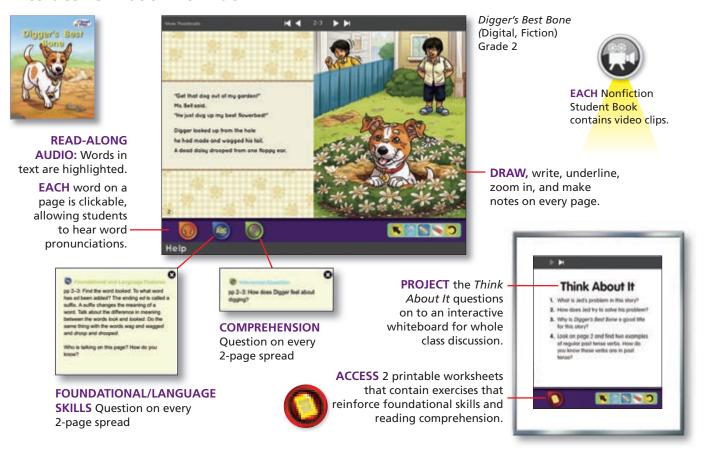

- Focus on meaning making and the role of vocabulary and content knowledge.
- Lesson Enhancement Features extend learning with digital books
- Comprehension and Skills Practice BLMs
- School-Home Connection Strategies

Student Books

115 Fiction and Nonfiction Student Books; 6-Packs Contain Access to the Interactive E-book.

Introduce Key Content Topics with 48 Fiction/Nonfiction Pairs

Overview

Organized into eight content strands of Life Science, Earth Science, Physical Science, Citizenship, America, People and Places, Math, and Self-Awareness, each text set pair is designed to help students investigate and understand literary and informational texts.

Student Books: Paired Title 6-Packs Contain Print & E-Book Formats

The 48 paired Student Books provide a bridge between fictional characters and settings, and people and places of the real world.

APPROPRIATE print placement and chapter length

Teacher Guide

The Teacher Guides, one for each level, teach and assess comprehension, vocabulary, and decoding/spelling with four reproducible worksheets for each lesson.

STRATEGIES to support struggling readers and ELL students

Rain Holps

Code these though that not is good fix.

INVITE students to evaluate and respond to books with two blackline masters for each pair.

Integrate Standards-Based Science Content into Your Literacy Block

- CHOOSE from a wide range of Science topics to match your students' skills and interests.
- DIFFERENTIATE instruction and maximize your teaching time with Lesson Plans that contain explicit literacy and content instruction
- PROVIDE multiple opportunities to conduct hands-on Science activities and practice literacy skills

Build Content Knowledge & Vocabulary with Each Student Book and Lesson

EMPOWER students to become successful Informational Text readers with student materials covering Science-aligned content and explicit instructional materials.

USE evidence-based Reading instruction to support students at increasingly difficult levels of text complexity

ENGAGE students with hands-on interactive Science activities that relate to and enhance the Student Book content.

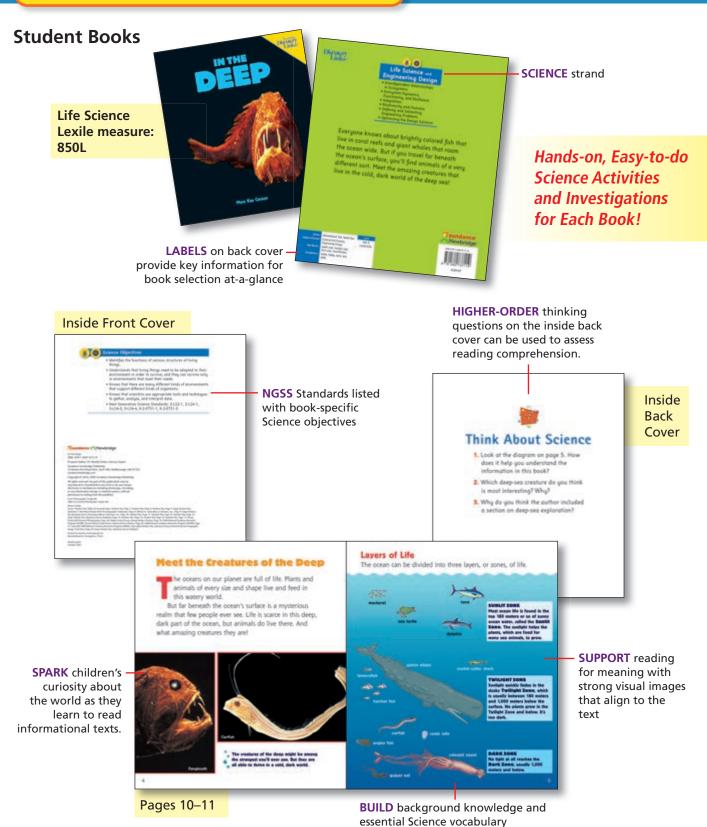

Program Overview

Sundance Newbridge Discovery Links® offers the opportunity to integrate standards-based Science content into your Literacy Block, saving you time and helping you to teach ELA and Science content simultaneously. This program of 228 Student Books, each with a corresponding Lesson Plan, provides a systematic instructional plan that gives you the flexibility to meet the needs, interests, and skill levels of your diverse classroom, with select titles available in Spanish.

228 Student Books: 6-Packs contain Print & E-Books covering Life, Earth, Physical Sciences, and Engineering Design Strands

BEFORE, During, and After Reading Framework, with suggested lesson lengths

Blackline Masters

Each Lesson Plan contains an ELA blackline master that covers the lesson's reading objective, and two Science blackline masters. The ELA and Science blackline masters utilize graphic organizers, written responses, and hands-on activities.

Reading Assessment Task Page 4

 Assess students' comprehension and their ability to meet the lesson's reading objectives and comprehension skills

Science Activities

Pages 5 and 6

Science activities include:

- Investigations
- Pencil-and-Paper Investigations
- Hands-On activities
- Reader's Theater activities
- School-to-Home activities

0

they read and access prior knowledge. The

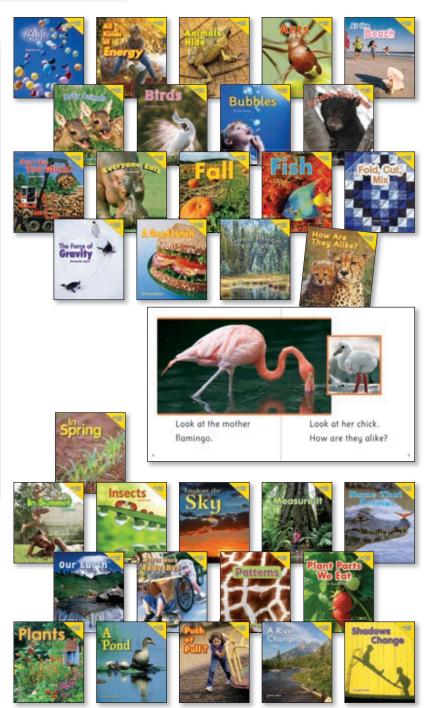

'Follow the Steps' section walks students

through the parts of an activity.

Sundance Newbridge

Differentiate Science Instruction with Below-, On-, and Above-Level **Student Books**

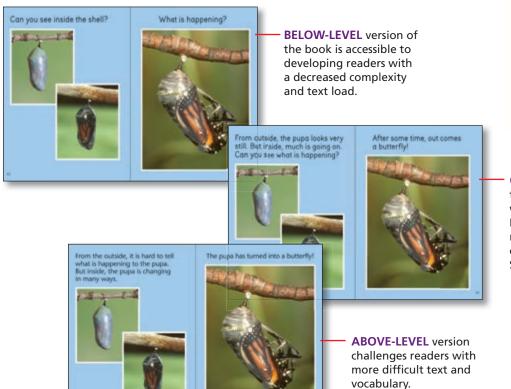

SUPPORT differentiated instruction with high-interest Student Books that present the same Science concept at three different levels of reading difficulty.

Program Overview

Ensure all your students achieve Science literacy, while building a solid foundation for Reading success, with 56 units that cover a balance of Life, Earth, and Space, Engineering Design and Physical Science standards. Each complete unit includes an Instructional Big Book, three differentiated sets of 6-Packs, word-for-word Audio books, and Teacher's Guide.

Student Book 6-Packs with Word-for-Word Audio Books

Allow students to read at their appropriate level as they master essential Science content with three versions of each title. The on-level student book is a word-for-word match to the Big Book. That identical content is also found in the below- and above-level readers, but with text load and sentence structures more appropriate to those levels.

56 Life, Earth & Space, Engineering Design, and **Physical Science** units

ON-LEVEL version of the book is a word-forword text match to the Big Book, ensuring that readers fully comprehend content vocabulary and Science concepts.

EARLY SCIENCE GRADES K-3

Instructional Materials Teacher Guides

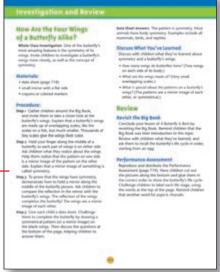

Support differentiated instruction with easy-to-follow **Teacher Guides** that provide instruction for both Science and Reading. Each guide includes pretests and posttests to measure students ability to process information and apply Science concepts.

Each Unit includes:

- 1 Instructional Big Book
- 3 Student Book 6-Packs: Below-, On-, and Above-Level with 3 Matching Audio Books
- 1 Teacher's Guide

extend your instructionwith hands-on Science investigations, extension activities, and home/school connections.

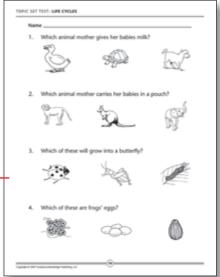

Assessment

Monitor and assess student progress with the Individualized Activities and Assessment book. The 128-page resource includes activities for each topic set, activities for each title within the topic, and graphic organizers for use with any Early Science unit.

Assessment SFV 825565 **\$30**

IMPROVE students' comprehension, vocabulary, and fluency with instruction tailored to each level of reader.

Big Books

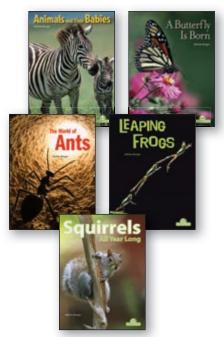

Introduce Science concepts and content vocabulary by modeling comprehension strategies.

60 Dazzling Books that Deliver Standards-Based Life Science Content

SUPPORT below-level readers in Grades 1–5 and build the Nonfiction literacy skills they need to succeed—while delivering high-interest standards-based Life Science content.

GRAB students' interest and keep them focused on reading and learning with engaging photos and "fact bites" about peculiar, yet fascinating animals.

TEACH students about Life Science content and vocabulary how to use and understand Nonfiction text features.

Overview

The 60 Student Books in **Weird, Wild, and Wonderful** cover essential Reading and Science objectives in the same lesson, empowering students to develop an understanding of core Life Science ideas, as recommended by the Next Generation Science Standards.

Use the E-books on your Interactive Whiteboard for whole class instruction and the print books or E-books for independent classroom and home reading.

Student Book 6-Packs Contain Print and E-Book Formats

Capture students' interest and keep them focused on reading with beautifully designed books, full of state-of-the-art photography.

- Motivate readers with short captions and attention grabbing layouts
- Fact Bites about particular animal habits
- Encourage students to remember important details and to practice reading strategies with the "Remember This?" feature at the end of each book

Lesson Plans

Easily integrate literacy and Science instruction with handy Lesson Plans for each title.

- Step-by-step lessons focus on important Reading and Science objectives
- Explicit instruction of Nonfiction text elements
- Mini-lessons to support Reading strategy development
- Blackline Masters review and assess key concepts.
- Support for English-Language Learners

Nonfiction & Fiction Pairs Help Struggling Readers Master Science Content!

IMPROVE Science comprehension through multiple exposures to the same key concepts in both Nonfiction and Fiction titles.

Student Book 6-Packs Contain Print, E-Book, and Audio Formats

9 Fiction/Nonfiction Pairs for Below-Level Middle Grade Readers

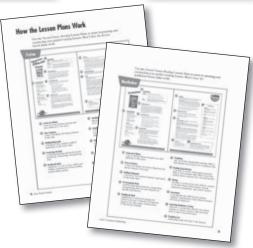

The **Blue Planet Diaries'** paired Fiction and Nonfiction books provide students with narrative and expository text reading experiences. From a Language Arts standpoint, this is critical, especially in the middle-school years. From a Science standpoint, it gives readers two separate formats from which to draw understanding about specific Science vconcepts. Word-for-Word Audio Books encourage students to read more on their own.

Teacher Guides

Choose the best implementation method for your classroom! Use the blackline masters in the full Teacher Guide or focus your instruction with a consumable Practice Book and Guide for each strand: Life Science, Earth Science, and Physical Science.

- Featured vocabulary
- List of key Science concepts and skills addressed in each lesson
- Chart details Literary features and Science objectives
- Connecting Fiction to Nonfiction feature
- Activities for previewing, summarizing, and predicting skills
- Assess students' understanding of key Science concepts and objectives

Expand Students' Horizons with Discovery Links Social Studies

Integrate Civics, Economics, Geography, and History Concepts into Your Literacy Block with 98 Student Books, Individual Lesson Plans, and Hands-On Activities

Overview

Discovery Links Social Studies provides the tools you need to teach students about the connections between their environment and the greater world as you integrate standards-based Social Studies content into the Literacy block, saving you time and offering students the strong contextual foundations they need to build content knowledge. Build content knowledge and strengthen vocabulary as you help students to tackle challenging questions with Literacy and Social Studies activities.

Economics

Lexile: 180L

Geography Lexile: 540L

See page 196 for select titles available in Spanish.

Student Books

Emphasize the Concepts of Civics, Economics, Geography, and History as Students Investigate Compelling and Relevant Social Studies Topics

New Year

Traditions

Strand: Geography

Topic: Human-Environment Interaction/Where We Live **Sub-Topics:** Regions/Resources/

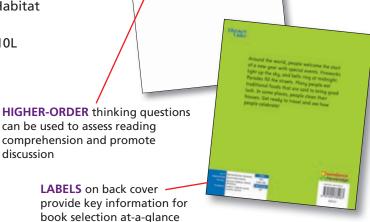

Our Big Country/Habitat

Protection

Index

..... 2-3, 6, 8-9,13

Lexile measure: 610L

Think About Social Studies

 Why do people around the world selebrate the new year?

3. How are most of the new year traditions alike?

 How is the New Year in China different from most other countries?

PREPARE students for real-life reading with nonfiction text features such as a Table of Contents and Index. **BUILD** content knowledge and academic content-area vocabulary

Inside Back Cover

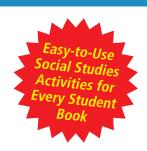

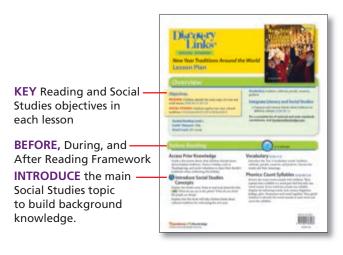

small group instruction EASY to access online anytime or anywhere

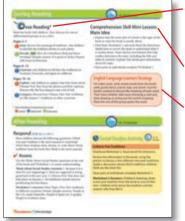

DISCOVERY LINKS SOCIAL STUDIES GRADES K-5

Lesson Plans with Blackline Masters

Meet Social Studies and ELA Standards with Guided Reading Instruction that Provides Hands-On Activities to Help Students Continuously Process What They are Learning

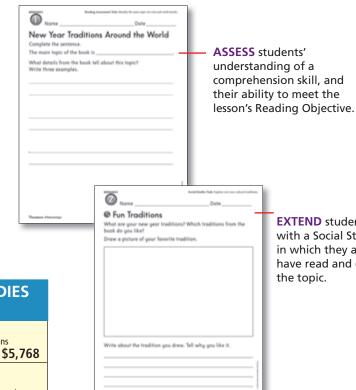

DIFFERENTIATE INSTRUCTION in whole class, small group, and independent reading settings.

MINI-LESSON targets a specific comprehension skill.

ENGLISH Language Learner strategies

Blackline Masters

Each Lesson Plan contains an ELA Blackline Master and a Social Studies Blackline Master. The Blackline Masters cover lesson objectives and utilize graphic organizers, written responses, and hands-on activities.

EXTEND students' learning with a Social Studies activity in which they apply what they have read and dig deeper into the topic.

Present Key Social Studies Concepts with Easy-to-Use Theme Units

GIVE students the background knowledge they need to become better readers in the content areas.

INTEGRATE core, grade-level content in history, geography, government, civics, economics, and culture with Literacy instruction.

SUPPORT students who lack academic vocabulary with clear pictures and helpful illustrations that provide a strong photo/text match.

Focus on Language Comprehension

Overview

Early Social Studies offers six theme units of informational texts that include 4 unique titles focusing on a different aspect of the Social Studies theme. This comprehensive program includes 24 Big Books with corresponding Student Books and in-depth Teacher's Resource Books that provide explicit teaching support.

Student Books with Big Book for Shared Reading

Introduce key Social Studies concepts as you teach students content area vocabulary, critical thinking skills, and how to use Nonfiction text features, such as table of contents, headings, captions, diagrams, and maps. Use of the Big Books and Student Books together allow teachers to model concepts so that students gradually move toward independent reading.

DEVELOP academic vocabulary and build content knowledge

PROVIDE opportunities to practice higher order thinking skills, like comparing and contrasting

TEACH students to use Nonfiction text features to comprehend text

Differentiate Reading and Writing Instruction While Teaching Social Studies

MAKE core grade-level Social Studies content accessible to students with kid-friendly explanations for using maps, sidebars, and graphs.

OPPORTUNITIES for practicing Reading and Writing

Student Books: 6-Packs Available with Print & E-Book Formats

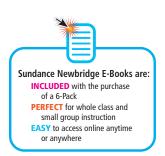

Provide an in-depth treatment of a single Social Studies topic and relate back to the big idea with easy-to-read Student Book 6-Packs, available in Print and E-book formats.

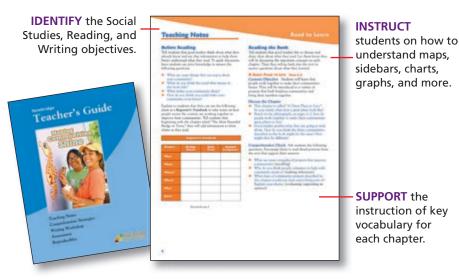

HELP students comprehend the text with Nonfiction text features, like big vivid photographs and visuals supported by explanatory captions.

Instructional Materials

Comprehensive instructional support to teach students how to access, process, and communicate informational text.

Explicit Writing Instruction Provides Modeling, Practice, and Access to **Rich Content**

INTEGRATE your Writing Instruction with your Reading Instruction for efficient and effective Lessons.

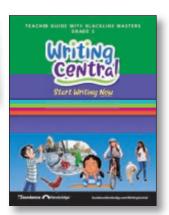

DEEPEN students' connections to content with easy-to-use text passages that cover a wide range of genres and text types.

SUPPORT students with explict and structured skills and strategies that involve drafting and writing.

Teach Writing with content-based instruction with 3 steps that organize the process:

- Whole Class Modeling of each genre and text type
- Small Group Practice in analyzing each text passage
- Independent Writing practice

Grade 3: 180 Mentor Cards (15 each of 12 Mentor Passages), 360 Practice Cards (30 each of 12 Practice Passages), 24 Passage Cards and Blackline Masters PDFs, 1 Teacher Guide/Blackline Master Book, 25 Student Resource Handbooks, 30 Markers, 3 Storage Boxes

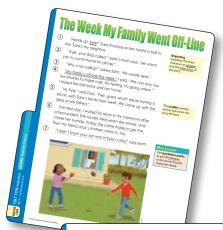

Grade 4: 180 Mentor Cards (15 each of 12 Mentor Passages), 360 Practice Cards (30 each of 12 Practice Passages), 24 Passage Cards and Blackline Masters PDFs, 1 Teacher Guide/Blackline Master Book, 25 Student Resource Handbooks, 30 Markers, 3 Storage Boxes SFV 38697

Grade 5: 180 Mentor Cards (15 each of 12 Mentor Passages), 360 Practice Cards (30 each of 12 Practice Passages), 24 Passage Cards and Blackline Masters PDFs, 1 Teacher Guide/Blackline Master Book, 25 Student Resource Handbooks, 30 Markers, 3 Storage Boxes SFV 38698

It's all here! Explicit Responsive Instruction, Model **Texts, and Writing Prompts!**

Plus, Standards-Based Science & Social Studies **Passage Topics Support Content Area Teaching**

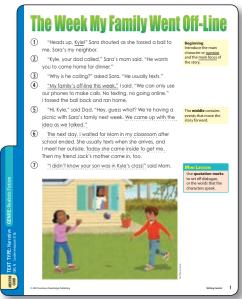

How Writing Central Works: Easy as 1, 2, 3!

Each Mentor/Practice Card Pair Work Together

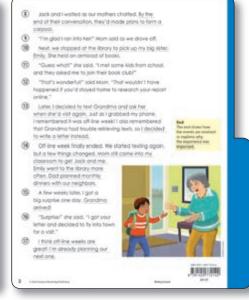

1. Mentor Text Passage: Whole Class

Use the projectable PDF or the laminated card to Introduce, Model and Analyze Each Genre.

Book Report

Grade 3 Lexile measure 790L

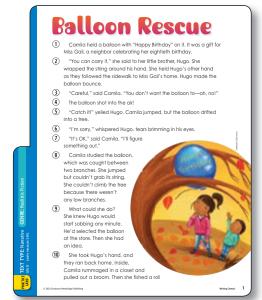

2. Practice Text Passage & BLM: Small Group

Use the second laminated card and its BLM to practice analyzing a text in small groups or pairs.

Small Group Practice:

 Students follow directions on BLM 1 to analyze and mark up the Practice Card

Grade 3 Lexile measure 580L

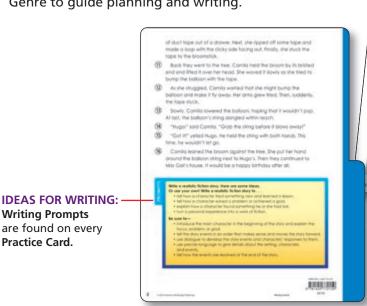

Nome	
Read Practic mark it up.	e Card "Balloon Rescue." Then follow the directions below to
1. Who are the to introduce	te main characters in the story? Whof defails does the outhor provide te them?
	r next to the two paragraphs that introduce the characters' problem.
3. Underline :	pecific words that show how Hugo feels about the problem.
4. What ever toward a n	its happen in the middle of the story? How do they move the story esolution?
	ragraphs 12 through 15. Write D next to each sentence that includes Circle the name of the character who is speaking in each sentence.
f. How does	the author end the story and resolve the problem?

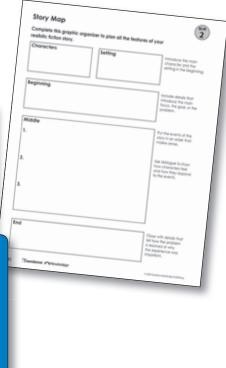

WRITING CENTRAL GRADES 3–5

3. Prompts & Graphic Organizer: Independent Writing

Complete the Prewrite and Draft Steps:

- Students complete the Graphic Organizer provided on BLM 2 to plan their writing pieces.
 Each organizer is genre specific and mirrors the structure of the model texts.
- Side-column notes explain the parts of the Graphic Organizer and reinforce features of the Genre to guide planning and writing.

The Grades 3–5 Writing Central all-in-one kits contain:

- 24 Original Text Passages covering 12 Fiction & Nonfiction Genres
- **Teacher Guide** containing Lesson Plans and Blackline Masters for every Text Passage
- Student Resource Handbook (25 copies) to Guide students in the Writing Process
- Downloadable PDFs of the Text Passages and linked Blackline Masters
- Write-On/Wipe-Off Markers

Writing Central explores the three Text Types described in the Literacy Standards:
Opinion • Informative • Narrative

Each grade-level kit contains Student & Teacher materials that cover four Genres within each Text Type. These Genres reflect the forms that students most often encounter in their grade-level curriculum and on standardized texts. These materials also support and expand on subject-area assignments with meaningful writing activities.

Engaging, High-Interest Informational Texts for Struggling Middle Schoolers

MOTIVATE students with appealing, magazine-like format books that feature fascinating topics, presented with vivid photography and high-interest graphics.

TEACH Science and Social Studies content with **informational texts** supported by scaffolding and built-in text structures.

Overview

Reading Quest helps build informational text reading skills while teaching standards-based Science and Social Studies content. Reading Quest books are highly visual and engaging to keep kids interested in reading. Match a variety of tools to your curriculum needs. Each of the six Science and Social Studies topic sets include 6 copies of 8 books, Audio for each title, and an individual Teaching Guide that provide everything you need to develop successful reading and writing skills for every student. Plus, How to Make Sense of It: A Handbook for Reading & Writing Informational Text can be used along with the Reading Quest program or independently.

READING QUEST GRADES 6–8

Support all Students with Texts in Print and Audio-Formats

Spark students' interest in Science and Social Studies content through captivating topics presented in short, high-interest chapters, using grade appropriate text, and targeted skill instruction, while focusing on one topic at a time in a unique magazine-like format.

From Slave Revolts: The Fight to Be Free

STUDENTS integrate information presented in different formats in each informational text.

From Energy Revolution

ACTIVATE prior knowledge and set the stage for successful reading with "Before You Read" introduction.

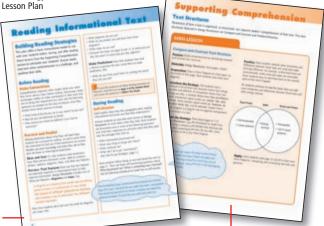

PREPARE students for reallife reading with exposure to important Nonfiction text features—such as captions, bold words, sidebars, and diagrams.

Teaching Guide

Address the varying needs and interests of students with teaching strategies for reading and writing in the content areas that offer differentiated and explicit instruction.

- Provide Writing practice while your students walk through the process of writing, as they work with their peers to revise and edit their writing.
- Help students determine the meaning of unknown words in a text, using context, affixes, and other strategies.

PROVIDE explicit instruction for before, during, and after reading, and guide students in reading nonfiction texts.

TEACH students how to recognize text structures and how they contribute to the development of ideas in a text.

How to Make Sense of It: A Handbook for Reading & Writing Informational Text

How to Make Sense of It walks students through the process of writing a research report. This process is taught in a way that allows students to apply it to any type of nonfiction they choose to write.

Culturally Responsive Books to Enhance Your Classroom Library

The **Sundance Newbridge Culturally Responsive Libraries** support all students by providing books that they can read and connect with while affirming their own cultural identities. The multiple expressions of diversity found in **Sundance Newbridge Student Books** are recognized and regarded assets for teaching and learning.

- 27 Curated Libraries containing Multicultural Student Books for Grades K–5
- Available in Single Copy or Classroom Sets of 6 copies per title
- Individual Lesson Plans accompany most title 6-packs.

The Sets contain books that represent many genres including Nonfiction, Poetry, Fiction, Folktales, and Historical Novels.

Each multicultural Set contains Student Books that reach back one grade level for students who are reading below grade level.

Enhance Literacy Skills and Support All Learners with Differentiated Student Books

Each collection contains Fiction and Nonfiction Student Books that reach back one-two grade levels for students who are reading considerably below grade level. Individual Lesson Plans, whenever available, provide explicit guided reading instruction. These sets are designed to help bring students to on-level reading by scaffolding their reading in small group and independent settings.

Implement a Home Reading Club that is Easy and Flexible to Use

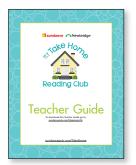

INCREASE daily reading time with convenient, all-in-one kits.

PROVIDE a wide variety of leveled Fiction and Nonfiction books that appeal to your students' interests, at just their right reading level.

The My Take Home Reading Club is an easy-to-use, flexible program that offers you the ability to conveniently connect classroom and home reading. The time that students spend reading contributes more to reading achievement than any other activity, and research has proven that daily reading is the most effective way for families to help their children become successful readers. Building independent reading into your day (in the classroom and at home) helps you to create an environment where students are encouraged to extend their learning.

- Over 100 engaging Fiction and Nonfiction Student Books that cover a wide range of genres and Reading Levels
- 30 drawstring bags for carrying books from school to home
- Teacher Guide with strategies for implementing
 My Take Home Reading Club in your classroom
- Dividers for organizing books by level or genre; or create your own categories with blank labels provided in the Kits.

FAMILY

LETTER

TEACHER GUIDE contains a Family Letter, Reading Log, Student Book Tracker, Reading Progress Poster, Reading Accomplishment Certificates, and dividers for organizing books by level or genre.

Help Your ELL Students Master Literacy Skills with Ready-Made Sets

OFFER a range of high quality, attractive books at different reading levels representing a variety of topics and genres that benefit ELL students.

SUPPLY standard-specific activities to assess students' proficiency and promote effective reading practices.

The Literacy Standards' emphasis on close reading present English Language Learners with a double challenge: acquiring a second language and gaining an understanding of the knowledge and skills in multiple disciplines through that second language.

The **Sundance Newbridge ELL Text Sets** contain 12 consistently leveled texts that are accessible to ELL students and yet are at a complexity level that meets State ELA Standards expectations for each grade level. High-quality illustrations and photographs grab students' attention and support the text to improve comprehension. In addition to the ELL Text Sets Teacher Guide, individual Lesson Plans for most of the student books are also included in the Sets.

Teacher Guide

Each ELL Text Set comes with a Teacher Guide to aid elementary teachers in implementing the ELA State Standards for ELL students. The Teacher Guide includes plans for Independent Reading and Small Group Guided Instruction, as well as Assessment suggestions. It contains explicit support for teachers as they make the instructional shift necessary to meet the goals of the English Language Proficiency standards.

ELL Sets include:

- 48 Student Books (4 copies of 12 titles)
- ELL Text Sets Teacher Guide
- Individual Lesson Plans for most books
- Display Box

Offbeat, Funny Stories with **Built-In Reading Support!**

Provide your students with fast-moving chapter books that offer plenty of reader support. Every title is designed to help kids investigate story features, such as character, plot, and setting. The 36 titles are clearly structured organized by reading levels. Teacher Guides support each title.

Student Books

Sparklers appeal to young readers as they build confidence. Word-for-word audio book versions provide audio support to ensure comprehension. E-book versions help teachers model instruction, continue with small group reading, and move to independent reading.

Fast-Moving Chapter Books for Below-Level Readers!

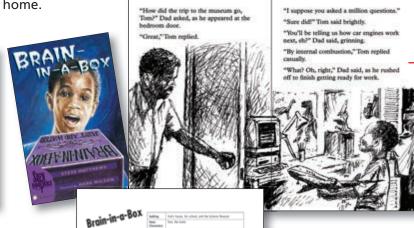

Help students relate to what they are reading with 52 titles featuring characters who are interesting, funny kids. Four Teacher Guides meet the instructional needs of struggling readers.

Student Books

These confidence-boosting books are long enough to help readers feel "grown up," but still offer plenty of built-in support to ensure comprehension and increase fluency. Word-for-word audio versions encourage students to read more on their own. E-book versions help teachers to model instruction on an interactive whiteboard, continue with small group reading, and finally

move to independent reading in the classroom or at home.

RANNOSAU

Teacher Guides

Each level is accompanied by a Teacher Guide that includes Lesson Plans and 6 blackline master activity sheets for each title. Includes a detailed Scope and Sequence of Skills.

> **ASSESSMENT** opportunities include observational assessment suggestions and written and performance assessment activities.

At the bus stop, Smumble repeated her sit-down act. Mack clenched his torch, Jamey sighed. But Buster welfaced up behind Smumble and, with one swift nudge of his time, gave her a gentle push. To the twins' saconishment, the little fluff-ball got to her feet and trosted on.

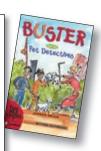

"Way to go, Buster!" cried Mack. The old log lifted his chin with pride.

Engage Struggling Readers with Fast-Paced, High-Impact Graphic Novels

Appeal to struggling readers with 16 titles that blend contemporary illustrations, cool characters, and fast-moving storylines in a unique format that fuses traditional chapter books with a graphic novel format.

Student Books: 6-Packs Contain Print & E-Book Formats

Students follow three friends who work together at a computer games company. When they start testing their games "for real," they encounter exciting and at times dangerous, adventures. E-book versions help teachers to model instruction on an interactive whiteboard, continue with small group reading, and finally move to independent reading in the classroom or at home.

DANGEROUS GAMES GRADES 4–8

Lesson Plans

Deliver targeted skill instruction with a 6-page Lesson Plan for each title, which includes before, during, and after reading activities and 3 blackline master activity sheets.

PRE-TEACH Tier 2 academic vocabulary and comprehension skills with pre-reading activities.

Teach Nonfiction Reading Strategies with High-Interest Topic Books!

INTRODUCE Nonfiction text features such as index, glossary, captions, maps, and primary sources.

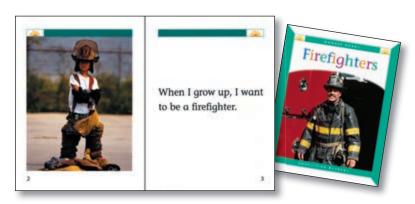

DEVELOP important content-area vocabulary with special vocabulary scaffolding.

SUPPORT comprehension with strong picture/text match and full page photographs.

Expose young readers to **Nonfiction** text features with real-life topics that help students become comfortable with factual information. Popular themes keep kids engaged as they build background knowledge and develop the content-area vocabulary essential for reading success.

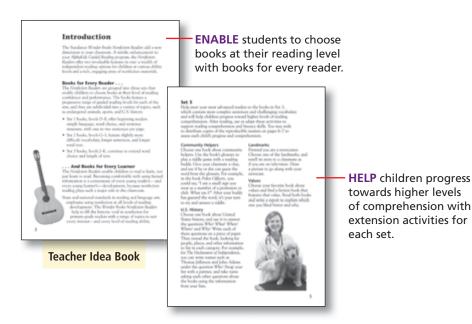

Student Books

Tie books to your Social Studies and Science curriculum or encourage students to read them on their own—all 91 titles support grade level standards.

Teacher Idea Book

The series is supported by an 8-page booklet that introduces each set, provides a reproducible with questions to assess comprehension, and includes wrap-up activities that allow children to share the knowledge they have acquired.

Readers for Native Spanish Speakers

Overview

Many English Language Learners are learning a new language while they are learning literacy skills. Including Spanish language Fiction and Nonfiction books in the classroom supports the development of literacy while Spanish speakers develop their English language skills. Sundance Newbridge offers over 500 Spanish language Fiction and Nonfiction titles for Grades K–6 that cover a variety of reading levels, text types, and formats.

		Audio/ digital A/d	Grades Levels	Number of Pages	Number of Titles or Sets	Fiction/ Nonfiction (F/NF)

Making Sense of Levels

Sundance Newbridge stands behind its levels as good guidelines; however, teachers must use them as a point of reference and set their own level standards for their students.

Grade Level	GRL† (2012)	EIL*	DRA §	Lexile® measures ‡ (2018)	Stages of Reading
Kindergarten					
	_	_	А		^
Readiness	А	1	1

- † Guided Reading Levels (GRL 2012) use the text characteristics described by Fountas, Irene C. & Pinnell, Gay Su and Heinemann, Portsmouth, NH, 2012.
- * Early Intervention Levels (EIL) are based on Reading Recovery®, a registered trademark of Ohio State University.
- § Developmental Reading Level Assessment (DRA), developed by Joetta Beaver, is a method of assessing and documenting achievement within a literature-based instructional program.
- ‡ The Lexile® Framework for Reading is a scientific approach to reading measurement, providing a common scale for matching reader ability and text difficulty. This allows educators and parents to quickly estimate expected reading comprehension and monitor progress.

Order Information

By Phone

Have your credit card number available and call toll-free: 800-343-8204

By E-mail

E-mail your order to: orders@SundanceNewbridge.com

Online

Order 24 hours a day, 7 days a week using your school's purchase order number or your credit card at **SundanceNewbridge.com**

By Mail

Sundance Newbridge Publishing 251 First Avenue North Suite 350 Minneapolis, MN 55401

No Minimum Order!

Office hours are 8:30AM to 5PM EST. If calling before or after these hours leave a message including name and phone number, and we'll return your call on the next business day.

Please note that prices are subject to change without notice. Written price quotes will be provided on request and guaranteed for 30 days.
