Good Times

Clocks help us keep time. They let us know when it is time to go to school. They tell us when it's time for recess! They remind us when it's time to get ready for bed.

What is your favorite time of day? Write about it below. Then add a big hand and little hand to the clock to show what time it happens.

My favorite time of day is:

Make Sense of Senses

After lunch and recess, stop and think. Remember how you used all five senses.
Use words or pictures to tell about it.
